WHEREAS, the National Human Right Commission (NHRC) had instituted case No. 32/2/10/2013/UC on 15th September, 2013 in connection with Rehabilitation and Resettlement of Chakma families who are going to be displaced due to establishment of Green Field Airport at Hollongi. The contention of the complainant was that out of the total 948 Acres (383.64 Hectares) being acquired, the total numbers of Chakma families to be displaced is not 156 families as notified by Government of Arunachal Pradesh rather it is 222 numbers of Chakma families who are going to be displaced.

In response to this complaint to National Human Right Commission (NHRC) the District Collector, Papum Pare deposed (through Chief Secretary, Government of Arunachal Pradesh) that "as per physical survey and assessment on 5th to 18th October, 2012, altogether 240 Chakma plots were found to be affected due to land acquisition for Green Field Airport. The Rehabilitation package had been extended only to those Chakma refugee families whose immovable structure i.e., dwelling houses were falling under the proposed acquired land for Airport Project in Hollongi/Kokila. For extending the housing benefits of R & R it is necessary to have the affected families be displaced from their present dwelling place. In this regard a total of only 156 Chakma families dwelling house were indentified and recorded in the preliminary survey and assessment inside the proposed acquire land. The rest of the marginalized Chakma families whose entire land had been acquired but dwelling houses not falling under Airpot Map will be extended Rehabilitation plan as laid down in State R & R Policy".

WHEREAS, during Public Hearing on 17th September, 2014 at Chakma Mandir area in Kokila, Papum Pare District, the District Collector, Papum Pare said that 157.85 Acres (approx.) is of the Chakmas' land inside the Airport. Since State Government has already notified 99.85 Acres for Rehabilitation & Resettlement (R & R) at Kokila and so as per Rehabilitation & Resettlement (R & R) Provision of Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation & Resettlement Act, 2013 additional 58 Acres (approx.) will be required to meet Land to Land demand and the same has been already indentified and mapped at Kokila. This proposal has been sent to the State Government as report U/S 5A(2) of Land Acquisition Act, 1894 read with Sec.24(i) of LARR Act, 2013 vide letter No. LM/PP/GFA-12 dated 24th September, 2014.

WHEREAS, NHRC closed the case No. 32/2/10/2013/UC on the basis of withdrawal request by the complainant Shri Sadhan K. Chakma on 30th September, 2014 after considering the report of the District Collector, Papum Pare filed under U/S 5A(2) of Land Acquisition Act, 1894 read with Sec. 24(i) of LARR Act, 2013.

AND NOW THEREFORE, this Corrigendum Notification is being issued under U/S 19 of LARR ACT, 2013 notifying the resettlement area for the purpose of Rehabilitation & Resettlement of 186 Chakma families who will be displaced due to establishment of Green Field Airport at Hollongi as per the following schedule of land.

SCHEDULE
