3. Scope of Terms 'deputation/ Foreign Service' - Restrictions on treating an appointment as on deputation/ Foreign Service.

- 3.1. The terms deputation/foreign service will cover only those appointments that are made by transfer on a temporary basis provided the transfer is outside the normal field of deployment and is in public Interest. The question whether the transfer is outside the normal field of deployment or not will be decided by the authority Which controls the service or post from which the employee is transferred.
- 3.2. The following types of appointments Will not be treated as deputation/foreign service for the purposes of these orders:
- Appointment of serving employees made either by promotion or by direct recruitment from amongst Open market candidates Whether on permanent or temporary basis.

 - Temporary appointment made on the basis of personal requests of employees.
 - Arrangements necessitated by staff imbalances arising on re-organisation of offices on the same or different stations, Subject to the Specific Condition that no deputation (duty) allowance will be admissible in such cases.
- 3.3. A person in a higher Grade Pay/scale of pay shall not be appointed on deputation to a Post In tower Grade Pay/scale of pay if the deputation is from Central Government to Central Government and also in cases Where the scale of pay and dearness allowance in the parent cadre post and ex-cadre post are similar.
- 3.4. However, no appointment on deputation/Foreign Service shall be made from/to Central Government/ an organisation Where the pay scale and DA in the parent cadre post and ex-cadre post are dissimilar, if the basic pay in the parent cadre increased by One Increment plus dearness allowance(s) Including interim relief if any, admissible to a person in the parent cadre post exceeds the basic pay plus dearness allowance (s) Including Interim relief, if any, at the maximum of the pay scale of the ex-cadre post. In the revised pay structure, the maximum of the scale would mean the sum of the Grade Pay of the ex-cadre post and maximum of the Pay Band PB 4 i.e. ₹ 67,000. For example, If the ex-cadre post is in the Grade Pay of ₹ 4,200, then the maximum would be ₹ 71,200 i.e, ₹ 4,200 plus ₹ 67,000 (maximum of PB 4).

4. Exercise of option :

- 4.1. An employee appointed on deputation/ Foreign Service, may elect to draw either the pay in the scale of pay of deputation/ foreign service post or his/her basic pay in the parent cadre plus deputation (duty) allowance thereon plus personal pay, if any. However, in case of Government employees on deputation/ Foreign Service to CPSEs, this option will not be allowed and their pay will be governed in terms of the orders issued by Department of Public Enterprises vide OM dated 26th November, 2008 and clarifications issued thereafter.
- 4.2. The borrowing authority shall obtain the option of the employee within one month from the date of joining the ex-cadre post unless the employee has himself furnished the option.
- 4.3. The option once exercised shall be final.
- 4.4. However, the employee may revise the option under the following circumstances which will be effective from the date of occurrence of the same:
- When he/she receives proforma promotion or is appointed to non-functional selection grade or up-gradation of scale in the parent cadre;
 - When he/she is reverted to a lower grade in the parent cadre;
 - When the scale of pay of the parent post on the basis of which his emoluments are regulated during deputation/ Foreign Service or of the- ex-cadre post held by the employee on deputation/ Foreign Service is revised either prospectively or from a retrospective date.
 - Based on the revised/same option of the employee, in the event of proforma promotion/ appointment to non-functional Selection Grade/revision/up-gradation of scales of pay in the parent cadre, his/her pay will be re-fixed with reference to the revised entitlement of pay in the parent cadre. However, if the initial option was for the pay scale of the deputation post and no change in option already exercised is envisaged, the pay already drawn in deputation post will be protected if the pay re-fixed is less.

Note : Revision in the rates of DA, HRA or any other allowance either in the parent or borrowing organisation shall not be an occasion for revision of the earlier option.

- 4.5. If the pay of an employee in his cadre post undergoes downward revision, the pay in the ex-cadre post is also liable to be re-fixed on the basis of revised pay and in accordance with the revised option or existing option if the employee does not revise his option.

5. Pay fixation :

5.1. When an employee on deputation/Foreign Service elects to draw pay in the scale of pay attached to the ex-cadre post, his/her pay may be fixed as under:

(i) Deputation from Central Government to Central Government

If the scale of pay/Grade Pay of the ex-cadre post is higher, the pay may be fixed after adding one increment to the existing pay in the Pay Band of the parent cadre post. The grade pay corresponding to the ex-cadre post would thereafter be granted in addition to this pay in the Pay Band. However, in cases where the fixation of pay in the ex-cadre post involves change of Pay Band also. If the pay in the Pay Band after adding the increment is less than the minimum of the pay band corresponding to the grade pay of the ex-cadre post, the pay in the Pay Band will be fixed at the minimum of the Pay Band.

In case the Grade Pay/scale of employee's cadre post and the ex-cadre Post are identical, the employee would continue to draw his/her existing basic pay.

In case the Grade Pay of the ex-cadre post is upto ₹ 10,000, the Basic Pay, from time to time after Pay fixation should not exceed the maximum of the Pay Band PB-4 (₹ 67,000) plus the Grade Pay of the post held on deputation. In case the ex-cadre post is in the HAG or HAG+ pay scale, the Basic Pay, from time to time after pay fixation should not exceed ₹ 79,000 or ₹ 80,000 respectively.

(ii) In foreign service/Reverse Foreign Service

(a) when the pay scale of the post in the parent Cadre and that attached to ex-cadre post are based on the same index level and the DA pattern is also same, the pay may be fixed as under (i) above.

(b) If the appointment is made to a post whose pay structure and/ or DA pattern is dissimilar to that in the parent organisation, pay may be fixed by adding one increment to the pay in the parent cadre post in the scale of his regular parent post (and if he/she was drawing pay at the maximum of the scale, by the increment last drawn) and equating the pay so raised plus dearness allowance (and additional or ad-hoc dearness allowance, Interim relief etc., if any) with emoluments comprising of pay plus DA, ADA, Interim relief etc., if any, admissible, in the borrowing organisation and the pay may be fixed at the stage in the pay scale of the ex-cadre post at which total emoluments admissible in the ex-cadre post as above equal the emoluments drawn in the cadre.

5.2. In cases of appointment from one ex-cadre post to another ex-cadre post where the employee opts to draw pay in the scale of the ex-cadre post, the pay in the second or subsequent ex-cadre post should be fixed under the normal rules with reference to the pay in the cadre post only, However, in respect of appointments to ex-cadre post carrying Grade Pay identical to that of the ex-cadre post(s) held on an earlier occasion(s), it may be ensured that the pay drawn in subsequent appointment should not be less than the pay drawn earlier.

5.3. In cases of appointments to a second or subsequent ex-cadre post(s) in a higher pay scale/Grade Pay than that of the previous ex-cadre post, the pay may be fixed with reference to the pay drawn in the cadre post and if the pay so fixed happens to be less than the pay drawn in the previous ex-cadre post, the difference may be allowed as personal pay to be absorbed in future increases in pay. This is subject to the condition that on both the occasions, the employee should have opted to draw pay in the scales of pay/Grade Pay attached to the ex-cadre posts.

Note - 1 : The term parent post and basic pay means the post held on regular basis in the parent organisation and pay drawn/ admissible in such a post respectively.

Note - 2 : An officer who may be holding a higher post on adhoc basis in the cadre at the time of proceeding on deputation/ Foreign Service would be considered to have vacated the post held on adhoc basis and proceeded on deputation/ Foreign Service from his/her regular post. During the period of deputation/ Foreign Service, he/she shall earn notional increments in the parent cadre post. On reversion, if he/she is re-appointed to the higher post on regular or adhoc basis his pay will get fixed with reference to the pay admissible in the lower post on the date of such re-appointment. In such cases, if his pay gets fixed at a stage lower than that of his junior(s) who continued to serve in the cadre, no stepping up will be admissible as per extant rules in so far as Central Government employees are concerned. However, if the pay so fixed is less than the pay drawn earlier while holding the post on ad-hoc basis the pay earlier drawn will be protected. Therefore, those Central Government employees who are already holding a higher post on ad-hoc basis or expecting it shortly in the parent cadre may weigh all relevant considerations before opting for deputation/ Foreign Service. This note of caution will be applicable to employees of other organisations wishing to apply for posts on deputation in Central Government, if governed by similar rules in parent organisation.

Note - 3 : Pay of an officer appointed on deputation/Foreign Service on adhoc basis pending selection of a regular incumbent may also be regulated in accordance with provisions of Para 5.1 & 6.1 of this O.M.

Note - 4 : The provisions of this Para as well as Para 6 will not apply to appointments on Personal Staff of Ministers. Such appointments will be regulated by separate specific orders issued by the Government in that behalf.

6. Deputation (duty) Allowance :

6.1. The deputation (duty) allowance admissible shall be at the following rates:

- (a) In case of deputation within the same station, the allowance will be paid at the rate of 5% of basic pay subject to a maximum of ₹ 2,000 p.m.; and
- (b) In other cases, Deputation (Duty) Allowance will be payable at the rate of 10% of the employee's basic pay subject to a maximum of ₹ 4,000 p.m.
- (c) The deputation (duty) allowance as above shall further be restricted as under:-

Basic Pay, from time to time, plus Deputation (Duty) Allowance shall not exceed the maximum of the Pay Band PB-4 (₹ 67,000) plus the Grade Pay of the post held on deputation in case the Grade Pay of the post held on deputation is upto ₹ 10,000. In case the post held on deputation is in the HAG or HAG+ pay scales, the Basic Pay, from time to time, plus Deputation (Duty) Allowance, should not exceed ₹ 79,000 and ₹ 80,000 respectively .

Note : Basic Pay in the revised pay structure means the pay drawn in the prescribed Pay Band plus the applicable Grade Pay but does not include any other type of pay like special pay/allowance etc.

The rates of deputation (duty) allowance as above shall take effect from 1st September, 2008.

Note : 1. The term 'same station' for the purpose will be determined with reference to the station where the person was on duty before proceeding on deputation.

Note : 2. Where there is no change in the headquarters with reference to the last post held, the transfer should be treated as within the same station and when there is change in headquarters it would be treated as not in the same station. So far as places falling within the same urban agglomeration of the old headquarters are concerned, they would be treated as transfer within the same station.

6.2. Special rates of deputation (duty) allowance may be admissible under separate orders in any particular area on account of the condition of living there being particularly arduous or unattractive. Where special rate is more favourable than that given in Para 6.1 above, employees deputed to the area will be given the benefit of the special rate.

6.3.1. If an employee with the permission of the competent authority, proceeds on deputation/Foreign Service from one ex-cadre post to another ex-cadre post in the same or another organisation without reverting to his parent cadre, and if the second ex-cadre post is at the same station as the first one, the rate of deputation (duty) allowance would remain unchanged.

6.3.2. In cases where a person on deputation/Foreign Service is transferred by the borrowing authority from one station to another without any change in the post held by him, the rate of deputation (duty) allowance will be re-fixed as per 6.1 (b).

7. Admissibility of a allowances and benefits while on deputation/Foreign Service :

7.1. Any project allowance admissible in a Project area in the borrowing organisation may be drawn in addition to deputation (duty) allowance.

7.2. Any special allowance granted to an employee in the parent Department under FR 9(25) or a corresponding, rule of parent organisation should not be allowed in addition to deputation (duty) allowance . However, the borrowing department may allow in addition to deputation (duty) allowance, under special circumstances, any special allowance attached to the post held by the employee in his/her parent Department, by suitably restricting the deputation (duty) allowance. This will require the specific and prior approval of Department of Personnel and Training.

7.3. In case special allowance is attached to the scale of pay of the ex-cadre post and the employee has opted to draw pay in that scale, then, in addition to the pay in that scale, he will also be entitled to draw such special allowance. However, such special allowance will not be admissible if he has opted to draw pay in the parent cadre scale/Grade Pay plus deputation (duty) allowance.

7.4. Personal pay, if any, drawn by an employee in his parent department will continue to be admissible on deputation/Foreign Service if he/she opts to draw pay in the parent cadre scale/Grade Pay plus deputation (duty) allowance. No deputation (duty) allowance on this personal pay will however, be admissible.

7.5. **Increments:-** The employee will draw increment in the parent cadre grade or in the scale of pay / Grade Pay attached to the deputation post as the case may be, depending on whether he has opted for the parent cadre pay plus deputation (duty) allowance or the pay scale/Grade Pay of the deputation post. If he has opted for pay scale/ Grade Pay of the deputation post, notional increments shall also continue to accrue to him in the post held on regular basis in the parent cadre/ organisation for the purpose of regulation of pay on repatriation to the parent post at the end of the tenure.

7.6. Admissibility of allowances and benefits while on deputation/ Foreign Service.

- (a) Such allowances as are not admissible to regular employees of corresponding status in the borrowing organisation shall not be admissible to the officer on deputation/ Foreign Service, even if they were admissible in the parent organisation.

 - (iii) **Leave** :- An officer on deputation/ Foreign Service shall be regulated by the Leave Rules of the parent organisation. The employee should apply for further leave to his Cadre Controlling Authority.

7.7. Leave salary/Pension/NPS Contribution :

- (i) As at present, allocation of leave salary and pension contribution between different Ministries/ Departments of Central Government and between Central and State Government has been dispensed with. In such cases of deputation from Central Government to State Government and vice-versa, liability for bearing leave salary vests with the Department from which the officer proceeds on leave or which sanctioned leave and no contributions are payable to the lending organisation. Liability for pension/ employee's contribution to CPF will be borne by the parent department, to which the officer permanently belongs at the time of retirement and no proportionate contribution will be recovered.
