OFFICE MEMORANDUM
The 30th October, 2014
Subject : TIMELY SETTLEMENT OF PENSION/POST RETIREMENT BENEFITS AND SERVICE RECORD OF THE GOVERNMENT SERVANTS ACTION THEREOF REGARDING.

No.AR-89/2014.—Of Late, the Government has noticed that inordinate delay occurs in settlement of Pension and Pensionary benefits of the retired employees. Several complaints have been received from retired employees and the issue has been raised in the Legislative Assembly by the Legislators. The distressing delay in finalizing pension and post retirement benefits causes untold hardship to the retired Government servant and his family.Pension is not in the nature of rewards, but there is a binding obligation on Government so that the retired employee may be bid farewell honourably by paying all the pension and pensionary benefits on the day of retirement. The Process of initiation of pension papers starts two years before his/her retirement and the pension papers are forwarded to the Director of Accounts and Treasuries 6 (six) months prior to retirement for timely settlement of Pension and Post retirement benefits. The delay in payment of Pension and Pensionary benefits amounts to an actionable offence and attracts payment of penal interest as per the Supreme Court ruling and CCS Pension Rule,1972. Several guidelines were issued in the past in this regard most notably, the Office Memorandum No. OM-23/2002 dated 15th April, 2002 and the Finance Department’s Office Memorandum No.DAP/PEN/20/ 2010 dated 7th September, 2010 for proper maintenance of Service Book and timely settlement of Pension dues. Therefore, the Government had decided to frame “Pension Action Time” as a ready reckoner for the authorities who deal with the matter relating to Pension under the Government of Arunachal Pradesh.

Therefore, all Head of Departments and the Heads of Office in the Government of Arunachal Pradesh are directed to go through the “Pension Action Time” and take appropriate action for timely settlement of Pension and other pensionary benefits of their retired employee on the day of retirement. The Head of Office should ensure proper maintenance of Service Book and timely initiation of Pension Papers in their office. Action should be initiated against the defaulting official/Officers in case of inordinate delay, without any specific valid reason, in submission of the pension documents.

Ramesh Negi
Chief Secretary to the
Government of Arunachal Pradesh,
Itanagar.
PENSION ACTION TIME

Administrative Reforms Department
Government of Arunachal Pradesh
Itanagar.
CHAPTER - I

Introductions:

1. The C.C.S. (Pension) Rules, 1972 mainly codify the procedure for finalizing payment of pensionary benefits, which may become payable to the Government servant on his superannuation or family of the deceased Government servant.

2. The Government of India have from time to time simplified the procedure for processing the pension of the pensioners to ensure timely payments of pensionary entitlements to the retiring Government servant or the members of the family of the deceased Government servant; but it has been observed that the procedure so prescribed by the Government of India for the purpose is not followed strictly by the authorities concerned and as a result the payment of pension and other retirement benefits are delayed unnecessarily. This is perhaps for the following reasons:

   (i) The Heads of Offices who are mainly concerned with the processing of pension cases of their employees have not kept pace with the latest changes in Pension Rules. The cases are processed in a routine manner. Certain misconceptions persist amongst the various Heads of Offices and PAOs.

   (ii) The Heads of Offices and PAOs are not in a position to observe the prescribed procedure and time schedules for certain Administrative reasons.

To overcome the situation, we propose to bring out the salient features of CCS (Pension) Rules, 1972, which are mainly connected with the processing and finalization of Pensionary benefit cases. This is only a guide and not an authoritative document to be quoted, unlike CCS (Pension) Rules, 1972. It is hoped that follow-up of pension cases as per the time schedule prescribed would help accelerate disposal of pension cases.

CHAPTER - II

Pension Action Time:

It has generally been observed that pension cases of the Government servants retiring on superannuation are not finalised by the Heads of Offices in time mainly for the following reasons:

(i) Non-availability of Service Book.

(ii) Omissions, imperfections or deficiencies in Service Book.

(iii) Non-completion of Service Book by the other departments.

(iv) Non-availability of ‘No Dues Certificate’ from Estate Officer Government of India/PWD of GNCT of Delhi in respect of Government accommodation allotted to Government servant.

(v) Non-adjustment of Government dues other than pertaining to the Government accommodation.

(vi) Departmental or judicial proceedings pending against the retiring Government Servant.

To deal with all these problems, the Government of India have simplified the procedure for the preparation of pension papers according to which every Head of Office should undertake the work of preparation of pension papers two years before the date on which the Government servant is due to retire on superannuation. This period of preparatory work of two years shall be divided in the following three stages:

STAGE ONE

1. Verification of Service:

   (i) The Head of Office shall go through Service Book of the Government servant and ensure himself that the periods of his entire service are recorded therein. Rule, 59(1)(a)(I)

   (ii) If there is any unverified portion of service, the same shall be verified with reference to Pay Bills etc. or other relevant records and necessary certificate to this effect will be recorded in the Service Book. Rule, 59(1)(a)(II)

   (iii) If any unverified portion of Service has been rendered by the Government servant in another office or department, a reference shall be made to the Head of Office of the Department concerned for the purpose of verification. Rule, 59(1)(a)(III)

   (iv) If any portion of service still remains unverified, the Government servant should be asked to file a written statement on plain paper stating that he had in fact rendered that period of service and shall, at the foot of the statement, make and subscribe to the declaration as to truth of that statement and shall in support of such declaration, produce all documentary evidences and furnish all information which is in his power to produce or furnish. The Head of Office, after taking into consideration the facts in the written statement and the evidences produced and the information furnished by that Government servant in respect of the said period of service, admit that portion of service as having been rendered for the purpose of calculating the pension of that Government servant. Rule, 59(1)(a)(IV)&(V)
STAGE TWO

2. Making good omission in the service book:
   (i) The Head of Office shall also identify if there are any other omissions, imperfections or deficiencies which have a direct bearing on the determination of emoluments and the service qualifying for pension. Every effort should be made to complete the verification of service and to make good omissions, imperfections or deficiencies. However, any omissions, imperfections or deficiencies including the portion of service shown as unverified in the Service Book which it has not been possible to verify in accordance with the procedure as laid down above, the said portion shall be ignored and service qualifying for pension shall be determined on the basis of entries in the Service Book.

   Rule, 59(1)(b)(i) & (ii)

   (ii) For the purpose of calculation of average emoluments, the Head of Office shall verify from the Service Book the correctness of the emoluments drawn or to be drawn during the last 10 months of service. In order to ensure that the emoluments during the last 10 months of service have been correctly shown in the Service Book, he may verify the correctness of emoluments for the periods of 24 months only preceding the date of retirement of the Government servant and not for any period prior to that date.

   Rule, 59(1)(b)(iii)

3. Treatment of Extraordinary Leave:

   Extraordinary Leave granted on medical certificates qualifies for pension. The Appointing Authority may, however, at the time of grant of Extraordinary Leave otherwise than on medical grounds also allow the period of such leave to count as qualifying service for pension if leave is granted to a Government Servant:

   (i) due to his inability to join or re-join duty on account of civil commotion, or

   (ii) for prosecuting higher technical and scientific studies.

   Extraordinary Leave taken on other grounds is treated as ‘Non-Qualifying’ and therefore, a definite entry is to be made in the Service Records to that effect. Entries regarding service being qualified or otherwise are required to be made simultaneously with the event. Even where this is not done, it should still be possible to rectify the omission during the period allowed for preparatory action, i.e., from two years in advance of the retirement date up to 8 months before retirement. At the end of that period, however, no further enquiry into past event or checks of past records may be undertaken. Specific entries in the service records regarding Non-Qualifying periods will be taken note of and such periods excluded from the service. All the spells of Extraordinary Leave not covered by such specific entries will be deemed to be qualifying service.

   GOI decision No. (1) below Rule, 21

4. Period of Suspension:

   Time passed by a Government servant under suspension pending enquiry into conduct will count as Qualifying Service where, on conclusion of such enquiry, he has been fully exonerated or the suspension is held to be wholly unjustified. In other cases, the period of suspension shall not count unless the Authority competent to pass order under the rule governing such cases expressly declares at the time that it shall count to such extent as the competent authority may declare. Specific entries in this regard in the Service Book will be taken note of at the time of reckoning qualifying service. In the absence of any specific entry, the period of suspension shall be taken as counted towards the qualifying service.

   Rule, 23 & GOI decision No. (1) below Rule, 23

5. Forfeiture of service on Dismissal or Removal:

   Book will be taken note of at the time of reckoning qualifying service. In the absence of any specific entry, the period of suspension shall be taken as counted towards the qualifying service.

   Rule, 23 & GOI decision No. (1) below Rule, 23

6. Forfeiture of Service on Dismissal or Removal:

   Dismissal or removal of a Government servant from service or post entails forfeiture of past service. However, if a Government servant who is dismissed, removed or compulsorily retired from service, but is re-instated on appeal or review, is entitled to count his past service as qualifying service.

   Rule, 24 & 25

7. Forfeiture of Service on Resignation:

   Resignation from service or post, unless it is allowed to be withdrawn in the public interest by the appointing Authority, entails forfeiture of past service. However, resignation shall not entail forfeiture of past service if it has been submitted to take up another appointment with proper permission, whether temporary or permanent under the Government, where service qualifies.

   Rule, 26
8. Condonation of Interruption in Service:

In the absence of specific indication to the contrary in the service book and interruption between two spells of Civil Service by a Government servant under the Government including civil service rendered and paid out of Defense Service Estimates or Railway Estimates shall be treated as automatically condoned and the pre-interruption service treated as qualifying service. The period of interruption shall not count as qualifying service. However, interruption caused by resignation, dismissal or removal from service or for participation in strike will not be counted towards qualifying service for pension.

Rule, 28

9. Adjustment and recovery of Government Dues Pertaining to Government Accommodation:

The Administrative Department is required to furnish a list of Government servants in occupation of Government accommodation, along with applications from the individual on the prescribed form for issue of ‘No Demand Certificate’ to the Dte. of Estate Government of India/PWD of Delhi Government, at least two years before the date of superannuation of the official concerned. The Dte. of Estate/PWD of Delhi Government in turn, would issue in Advance ‘No Demand Certificate’ to the department concerned with a copy endorsed to the individual concerned 8 months before the date of superannuation. If the Dte. of Estate/PWD of Government of Delhi, for certain reasons, fails to inform the departments concerned about the dues 8 months prior to the date of retirement, they are free to assume that nothing is due on account of rental dues in the book of the Directorate of Estates/PWD of Government of Delhi and they can finalise the pension papers of the individual concerned without waiting for any certificate from the Directorate of Estates/PWD of Government of Delhi provided the Department had forwarded the application for ‘No Demand Certificate’ 2 years in advance and had obtained an acknowledgement for the same. Further, after the permissibility of retention i.e. from the date of cancellation of the Government accommodation, the retiree is to deal with the Dte. of Estate/PWD of Government of Delhi as if he was a private party. The Department concerned are no longer required to correspond with the Dte. of Estate/ PWD of Government of Delhi about that individual for the period beyond the permissible period of retention of Government accommodation after the date of retirement of the allottee.

Rule, 72

10. Adjustment and Recovery of Dues other than Dues Pertaining to Government Accommodation:

(i) Dues to Municipality and Co-operative Society are not to be treated as Government dues and therefore, recovery of these dues cannot be made out of the DCRG.

(ii) Family Pension is like any other pension and recoveries of dues whether Government or Non-Government are not permissible from it without obtaining the consent of the pensioner. Similarly, the sum due from the Government servant on deputation to Autonomous Organisation is not Government dues and, therefore, it cannot be recovered out of DCRG payable by the Government to the Government servant except where the Government servant, has given his consent in writing to such a recovery being made from his gratuity which is becoming payable to him.

Rule, 73

STAGE THREE

11. Filling up of Forms and Authorisation of Pension:

(i) The Head of Office, after completing all the above formalities, 8 months prior to the date of retirement of the Government servant, shall obtain Form No. 5 from the Government servant duly completed. A Check List-cum-Pension Progress Card should be prepared in triplicate and progress watched. One copy of the card should be given to the retiring employee for information and necessary action. Specimen copy of the card is attached at Annexure I.

(ii) The Head of Office shall further complete Part-I of Form 7 not later than 6 months of the date of retirement of the Government servant.

(iii) The Head of Office shall further forward Form No. 5 and Form No. 7 duly completed with a covering letter in Form No. 8 alongwith Service Book of the Government servant duly completed, upto date, and any other documents relied upon for the verification of service to the PAO concerned. A copy of calculation sheet as certified by the Head of Office and duly countersigned by the PAO will also be sent to the pensioner. The authority for the amount of gratuity payable to the Government servant will be issued by the PAO to the Head of Office with the remarks that the amount may be drawn and disbursed by him to the retired Government servant after adjusting the Government dues, if any.

Rule, 65
13. Provisional Pension:

There may be an isolated case where inspite of following the procedure as laid down in the instructions on the subject, it may not be possible for the Head of Office to forward the pension papers to the Accounts Officer/PAO within the period prescribed i.e. 6 months before the retirement of the Government servant or where the pension papers have been forwarded to the Accounts Officer within the prescribed period but the same have been returned to the Head of Office for eliciting further information before issue of the PPO and Order for the payment of gratuity and commutation of pension. If the Head of Office, in such case, is of the opinion that the pension or gratuity or both cannot be assessed, finalised and settled, before the actual date of retirement of the Government servant, he shall, then, take steps to determine the qualifying years of service and the emoluments qualifying for pension after the most careful summary investigations and shall authorise 100% provisional pension for a period not exceeding 6 months to be reckoned from the date of the retirement of the Government servant, 100% gratuity as provisional gratuity withholding 10% of the gratuity or `1000 whichever is less.

Rule, 64

Provisional Pension where Departmental or Judicial Proceedings may be pending:

(i) Grant of cent percent Provisional Pension is mandatory even if departmental or judicial proceedings are continued. The PAO shall authorise the provisional pension equal to the maximum pension which would have been admissible on the basis of qualifying service upto the date of retirement of the Government servant or if he was under suspension on the date of retirement upto the date immediately proceeding the date on which he was placed under suspension. The Provisional Pension shall be authorized during the period commencing from the date of retirement upto and including the date on which, after the conclusion of departmental or judicial proceedings, final orders are passed by the competent authority.

(iii) Payment of Provisional pension made to the Government servant shall be adjusted against final retirement benefits sanctioned to such Government servant upon conclusion of such proceedings but no recovery shall be made where the pension finally sanctioned is less than the provisional pension or the pension is reduced or withheld either permanently or for a specified period.

Rule, 69

Stoppage or Reduction of Pension for Reasons Other than Misconduct not Permissible:

Pension is not in the nature of rewards, but this is a binding obligation on Government which can be claimed as a right. Forfeiture of Pension is only on resignation, removal or dismissal from service. After the pension is sanctioned, its continuance depends on future good conduct but it cannot be stopped or reduced for other reasons except where the pensioner is convicted of a serious crime or is found guilty of grave misconduct.

Your Role as Government Servant in ensuring timely payment of Retirement Benefits:
“Pension is not a bounty payable at the sweet will and pleasure of the Government but the right to pension is a valuable Right vested in your hand”.
1. Do your duty and get your right in time:
The two essential elements in determining the amount of pension, gratuity and family pension and commutation of pension wherever applicable:
   (i) Number of qualifying years of service rendered by a Government servant.

8. The attention to the disposal of pension cases and matters, including actual disposal of such cases, shall be taken in to account while assessing the performance of an officer annually.

APPLICATION TO DISTRICT ADMINISTRATION:

9. The above instructions shall apply MUTATIS MUTANDIS to ALL DISTRICT level organisations and Deputy Commissioners shall be personally responsible for disposal of pending and due pension cases.

D.M. Spolia
Commissioner (Administrative Reforms).

No. OM-23/2002.—I am enclosing a copy of Order No. dated April, 15, 2002 on the subject cited above. Self-evidently, the Order places a considerable responsibility on Commissioners/Secretaries/Heads of Departments and Deputy Commissioners to ensure the early and timely disposal of pending and future pension cases. The Deputy Commissioners for instance, are pted to not only ensure disposal of all pension related matters in other spacific offices but all district level offices.

I would urge you to take the following action:

IMMEDIATELY:

(iv) Prepare a list of all district level officers/Officials in Group ‘A’, ’B’, ’C’ & ’D’.
(v) Details of Officers/Officials (date of retirement, post, status of service record, recovery of any dues etc), due to retire in this and subsequent calendar year (s) should form a sub-set of information separately in the list.
(vi) Action to finalise the pension cases in respect of Officers/Officials due to retire in a calendar year should be initiated at the earliest and, in any case, at least 6 months before the date of retirement.
(vii) A copy of the lists should be furnished to the Administrative Reforms Department.
(viii) Changes in the list should be furnished regularly once every month, if there is no chage a NIL report should be furnished.

In addition, I would suggest that action be taken in respect of the following :-

(i) The service record of all government servants should be reviewed through a specially constituted campaign for the purpose.
(ii) The campaign shall be conducted over a period of 3 months.
(iii) The campaign shall be conducted by a team of officers and officials constituted for the purpose by and under the direct supervision of the Deputy Commissioner.
(iv) The service record to the updated shall, inter alia, consist of the service book, personal file, leave account, and record of loans and advances taken by the Government employee to determine the position of dues-balances.
The updating should cover all entries in the service book, from simple things like oath of secrecy and allegiance to the Constitution of India, to obtaining the latest passport size photographs, if the last photograph was obtained 10 years or more ago, nominations against GPF/Group Insurance, Annual verification of Service, and details of Dependent family members which would help to settle claims relating to LTC/Medical Reimbursement, etc.

A report in respect of the campaign may be furnished to the Administrative Reforms Department by the fifth day of each month.

As you would no doubt notice, the exercise to up-date records shall be an annual feature to be conducted in the month of April each year. It shall be: (a) subject to the review and monitoring mechanism established for the campaign this year, and (b) incumbent on the Commissioners/Secretaries/Head of Departments/Deputy Commissioners to ensure that the service book is shown to each officer/official after the annual updating. The acknowledgement of the officer/official should be obtained for the completeness and accuracy of all entries.

It should also be made clear to all concerned that attention to pension cases and matters shall be taken note of in the annual assessment of an officer’s performance.

I specially solicit your help and cooperation in making this years campaign a success. Sustaining the action in subsequent years will also need meticulous and regular attention to the service record of all government employees. I should appreciate if you could keep in touch on the action taken. Also please feel free to seek any clarifications as may be required.

With best wishes (regards).

Your sincerely,

D. M. SPOLIA

OFFICE MEMORANDUM

The 7th September, 2010

Sub: Timely Processing of pension cases, elimination of delay in settlement of pension cases and fixing responsibility.

No. DAP/PEN/20/2010.—From the records being maintained by the Director of Audit and Pensions, it is observed that there is considerable delay in processing of pension cases by the concerned department and settlement there of by issuing the necessary Pension Payment Order (PPO) resulting in untold inconvenience to pensioners. In fact, guidelines are envisaged in the CCS (Pension) Rule, 1972, specifying the time schedule for systematic preparation of pension cases before retirement of an official enabling him to get the pension immediately after retirement. It is observed that, practically the time schedules are not being followed in different officers resulting considerable delay in settlement of pension cases.

In this regard, the circulars issued by the Director of Audit and Pension from time to time vide No. DA/PEN/142/98/3757-3883 dated 6th July, 1999 (time schedules for preparation of pension documents), No. DAP/IPCC/1/04-05 dated 18th February, 2004 (verification of service book and regulation of pay) and DAP/IPCC/1-04-05 dated 10th July, 2007 (maintenance of service book in duplicate) may be referred to. However, copies of the same are once again circulated to all for strict compliance.

In addition to above, the following guidelines are issued for strict adherence by all the departments.

1. The list of officials retiring within next 2 (two) years shall be prepared by all the departments and submit to the Director of Audit and Pension by first week of April every year to keep a watch over timely processing of pension cases and its settlement thereof.

2. There shall be a nodal officer in each department to be notified by the concern department and intimated to the Director of Audit and Pension. The nodal officer shall monitor timely processing of the pension cases relating to his department and ensure correct submission of pension papers as prescribed in the pension rule to the Director of Audit and Pension.

3. The pension papers of the retiring person must reach to the Director of Audit and Pension 6 (six) months before retirement of the official positively and without fail.

4. Action should be initiated against the defaulting official(s) in case of inordinate delay, without any specific valid reason, in submission of the pension documents. Penal interest on delayed payment of all pension benefits at the rate applicable as per CCS(Pension) Rule and on the line of the Supreme Court verdict issued in this regard, shall be realized from the erring official(s) and compensated the pensioner concerned.

5. The Director of Audit and Pension shall bring the inordinately delayed submitted pension cases to the notice of the Commissioner (Finance) and the concerned Commissioner/Secretary of the department to take necessary action as per rule.

(ACTION TAKEN AS REGARDS THIS OM MAY BE INTIMATED TO COMMR.(FIN) WITH A COPY TO ARUNACHAL PRADESH, ITANAGAR WITHIN 15 DAYS).

OFFICE MEMORANDUM  
The 8th January, 2015

No. AR-100/2014/197.—WHEREAS, the Government of Arunachal Pradesh had issued an Office Memorandum vide No. AR-74/2013 dated 28th January, 2014 deciding the following:-

(i) to fix the minimum educational qualification of Graduation/Bachelor Degree from a recognized University for considering appointment to Group-B and Group-A posts/services either by direct recruitment or on promotion with immediate effect.

(ii) to discontinue the practice of relaxation of minimum educational qualification prescribed for a post with immediate effect; and or

(iii) to carry-out amendments in the relevant Services Rules / Recruitment Rules accordingly.

WHEREAS, the diploma holder Junior Engineer Service Association and various groups of non-graduate employees has submitted representations against the said office memorandum particularly to the fixation of the minimum educational qualification of Graduation/Bachelor Degree for appointment to the post of Group-B and Group-A posts/services.

WHEREAS, the Department of Administrative Reforms had made proposal for revisiting the cases pertaining to certain Group of employees in which absolutely no appointment could be made on direct recruitment as well as on promotion. In the case of Engineering Services, the Department had proposed to implement the provisions contained in the Central Public Works Department which is ideal. But it was not approved by the Cabinet. Instead, the Cabinet had decided to restore the position that was available before the issue of the Office Memorandum dated 28th January, 2014.

WHEREAS, in the meantime, the Arunachal Pradesh Graduate Engineer Association has also submitted representations for implementation of the office memorandum dated 28th January, 2014 and requested to the Government for passing a direction to the various Ministries/Departments for making subsequent amendment to the respective Recruitment Rules of Group-B and Group-A posts/services by inserting the minimum educational qualification of Graduation/Bachelor degree.
WHEREAS, in the matter, the Arunachal Pradesh Graduate Junior Engineer Association has filed a case WP(C) No. 356 (AP) 2014 entitled Arunachal Pradesh Graduate Engineers Association-versus-the State of Arunachal Pradesh and others in which the Hon’ble Gauhati High Court has disposed off the case on 25th September, 2014 with a direction to the Chief Secretary to the Government of Arunachal Pradesh to dispose of the representations dated 27th June, 2014 and 5th September, 2014 on or before 30th November, 2014 by a reasoned order, affording an opportunity of hearing to the petitioner Association as well as the Diploma Holder Engineering Association.

WHEREAS, for taking all possible steps for hearing of both the parties for settlement of the matter, the State Government has written to the Sr. Government Advocate, Gauhati High Court, Itanagar Permanent Bench, Naharlagun to grant 4 weeks time period beyond 30th November, 2014 vide letter No. AR-100/2014 dated 26th November, 2014.

WHEREAS, by complying with the direction of the Hon’ble High Court, both the President and General Secretary of Graduate Junior Engineers Association and the Diploma Holder Junior Engineers Association were invited vide letter No. AR-100/2014 dated 2nd January, 2015 for hearing on 8th January, 2015 separately at 3 pm and 3.15 pm respectively both the Association. Both the Junior Engineers Association was represented by their President, General Secretary and 2 Members. The Graduate Junior Engineers had submitted fresh representations in addition to the oral presentation. The Diploma Holder Junior Engineers had made oral presentation.

WHEREAS, after due hearing, in fact, it was felt that, if the order dated 28th January, 2014 is implemented in toto in respect of engineering services, it debars the Diploma Holders even for direct Recruitment to Group “B” and “A” posts/services as well as for promotion. In the Central Public Works Department (CPWD), the Diploma Holder Junior Engineers are allowed to get promotion up to the level of Executive Engineer with different criteria in qualifying service which is ideal one.

WHEREAS, the Department of Administrative Reforms had proposed for implementation of the norms available in CPWD, but the Cabinet in its meeting held on dated 29th October, 2014 approved for exemption of “Engineering services” only from the purview of office memorandum dated 28th January, 2014 thereby decided to restore the position that had existed before dated 28th January, 2014. However, the order to that effect is yet to be issued. The order will be issued in due course of time. Till the order to that effect is issued, no any appointment or promotion will be made by any Appointing Authority.

NOW, THEREFORE, I Shri Ramesh Negi, Chief Secretary to the Government of Arunachal Pradesh, having heard the deposition of the Degree Holder Junior Engineers and the Diploma Holder Junior Engineers dispose of the representations of the Degree Holder Junior Engineers and the Diploma Holder Junior Engineers in respect of the order dated 28th January, 2014 and the decision will be notified by the Government in due course of time. Till the decision of the Cabinet is notified by the Government, the holding of Departmental Promotion Committee meeting is kept in abeyance. Accordingly, the direction of the Hon’ble High Court in Writ Petition WP(C) No. 356 (AP) 2014 dated 25th September, 2014 is duly complied with.

OFFICE MEMORANDUM
The 3rd March, 2015

No.PD(SPD)-03/213-14(Pt).— Of late, complaints are being received from various corners that the implementing agencies of many on-going/sanctioned projects under various Central Sector Schemes are being changed after the projects are retained/sanctioned by the concerned Ministries. The matter has been examined by the State Government and it has been decided that henceforth, no change in the implementing agency for any project particularly in case of Central Sector Projects viz. SPA, NLCPR, NEC, RID, etc. will be considered in order to ensure smooth and timely implementation of projects.

2. In view of above, all concerned including the nodal departments should assess the pros and cons before suggesting/appointing any agency/department for implementation of such projects to avoid change of implementing agency midway which adversely hampers not only the implementation of the particular projects but also delays submission of required progress report, utilization certificate, completion certificate etc. Such frequent changes reflect very poorly on the overall planning process of the State.

3. It is also seen that projects are formulated without proper ground survey and request for change of scope are received midway of execution of projects. This must be stopped and henceforth such proposals will not be entertained.

4. All concerned may, therefore, take appropriate action for necessary compliance of the Government decision with immediate effect.

5. This issues with the approval of Hon’ble Chief Minister.

Chief Secretary,

ORDER  
The 24th July, 2015

No. LAB(W)-109/2014/1/2761-2885.—WHEREAS, in exercise of powers conferred by section 60 of the Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996, the Central Government vide its letter no. 22011/05/2010-BL dated 12th July, 2013 issued certain directions to all State Governments as well as to all State Welfare Boards for implementation of provisions of the said Act and those of the Building and Other Construction Workers Welfare Cess Act, 1996.

WHEREAS, keeping in view the nature of directions issued by the Central Government and action required for implementing them, four out of five directions as relevant to the State Welfare Boards were referred to by the Labour and Employment Department to the Secretary, Arunachal Pradesh Building and Other Construction Workers Welfare Board, Itanagar, (for short ‘the Board’) vide letter no. LAB (W)-103/2013/2220 dated 20th December, 2013 to take immediate steps as suggested therein so as to ensure compliance of the said directions. The Secretary of the Board was also requested to intimate the Under Secretary (Labour), Itanagar, about action taken or proposed to be taken by the Board on the said directions. However, no information has been received from the Board in this regard.

WHEREAS, despite being duty bound to carry out the said directions issued by the Central Government under section 60 of the Act, it appears as if the Board has not taken any action for complying with the said directions.

NOW, therefore, after careful consideration of the facts mentioned above, the Government of Arunachal Pradesh hereby issues the following directions:

(i) As per section 12(1) of the Act, every building workers who has been engaged in any building or other construction work for not less than ninety days during the preceding twelve months shall be eligible for registration as a beneficiary under the Act. A very large number of workers are working every year under Mahatma Gandhi National Rural Employment Guarantee Act. (MNREGA). Most of the works taken up under MNREGA, barring few related to forestry, horticulture etc. clearly fall under the category of ‘Building and Other Construction Work’ defined under section 2(1) (d) of the Act. To facilitate easy registration of the people who have largely worked under MNREGA works falling under the category of Building and Other Construction Works, the Board shall carry out a special drive for registration of such people under the Act and shall allow registration of such workers who have completed 50 days of work in a year under MNREGA under the Act on the basis of simpler process like self certification by the applicants or certification by Panchayats, etc.
(ii) As per section 12 (2) of the Act, an application for registration has to be made in the prescribed form to the officer authorized by the Board in this behalf. Since, it is very difficult for building and other construction worker to approach offices situated away from their usual place of residence and work, the Board shall without any further delay authorize all Gram Panchayats and Municipalities also to register construction workers under the said Act. In addition, Assistant/Junior Engineers of various Engineering Departments like PWD, Irrigation, Water Supply, and Power etc. shall also be given power to register workers under the Act.

(iii) Presently, the Board has practice of registration of the workers for one year which requires renewal every year. Alarge number of genuine workers find it very difficult to keep track of date of renewal and are not able to ensure renewal leading to loss of registration and consequent benefits. The Board shall therefore allow registration of workers for periods of at least 3 years in one go to reduce the burden of renewal.

(iv) Section 22 of the Act prescribes functions of the Boards. Section 22(1) (h) of the Act gives wide scope to the boards to take up schemes and make provisions of variety of welfare measures for the workers registered under the Act and their dependents. In this regard, a clarification was issued by the Ministry of Labour and Employment, Government of India, vide letter No. Z-20011/05/2010-BL dated 21st May, 2012 (Annexure-I) stating that States may use the cess collected for skill development of the registered workers and their dependents for skilling in all sectors including construction. Many Central Ministries have already started emphasizing on use of higher proportion of fund available under various schemes for skill development. Ministry of Social Justice and Empowerment, Ministry of Home Affairs etc. have recently issued such instructions. Given this background, the Board shall spend every year at least 20% of the balance cess amount at the beginning of the financial year, on activities related to skill development of registered workers and their dependents. The Board shall also adopt the model scheme as envisaged by the Ministry of Labour and Employment, Government of India (in Annexure-II) with suitable variations in consultation with the Skill Development Agency, Ministry of Finance, Government of India.

Chief Secretary,
Government of Arunachal Pradesh,

Need for strict compliance of the instructions was reiterated vide this Department’s OM No. 22011/9/98-Estt(D) dated 14th December, 2000.

2. The Model Calendar for DPCs as laid down in DoPT’s guidelines makes it obligatory on the part of Ministries/ Departments to send DPC cases to the UPSC by 15th July, (for financial year based vacancies) and 15th April, (for calendar year based vacancies) of the year preceding the vacancy year. Despite repeated communications to this effect, these instructions are not being followed by the Ministries/ Departments in majority of cases. Delay in holding the DPCs not only affect the manpower planning in various Ministries/Departments but also impedes the career progression across the board and is the main reason for litigation before CAT and various High Courts. The UPSC has recently brought this non-satisfactory
position to the notice of this Department. The UPSC has since stopped accepting incomplete proposals with effect from 1st August, 2010, and have introduced a new procedure under the ‘Single Window System’ whereby Ministries/Departments are now required to bring their proposals by hand which are scrutinized on the spot by the designated officer of the UPSC. Accordingly, all the Ministries/Departments are requested to send their DPC proposal in future in accordance with the revised Checklist as Annexed.

3. Non-adherence to time frame DPCs is matter of serious concern to the Government. Hence, all concerned authorities are once again counseled to ensure adherence to the Model Calendar which has been devised as a system-improvement measure. All proposals for DPC would henceforth be sent to UPSC complete in all respects including ACRs duly reviewed as per DoPTs OM No. 21011/1/2010-Estt (A) dated 13th April, 2010. In case of non-adherence to the prescribed time-frame, the Joint Secretary concerned responsible for signing certificate of completeness will be held responsible for the lapse and responsibility shall be fixed accordingly.

4. All the Ministries/Department may complete all the pending DPC proposals in respect of previous years within a reasonable period of one year. i.e. upto 31st March, 2012. For the Vacancy year 2012-2013 onwards, timeline as prescribed in model calendar for DPC will be adhered to for strict compliance.

5. Ministries/Departments are requested to give wide circulation to these instructions to ensure strict adherence to the time-schedule prescribed as per the Model Calendar for DPCs.

Smita Kumar
Director (Establishment).

**OFFICE MEMORANDUM**

The 23rd April, 2015

Subject :- Timely and advance action in convening of departmental Promotion Committee meeting in terms of Model Calendar-regarding.

No. 22011/1/2011-ESTT(D).—The undersigned is directed to state that with a view to having the approved select panels for promotion ready in advance in a time-bound manner, this Department has issued a Model Calendar for DPCs vide OM No. 22011/9/98-Estt. (D) dated 8th September, 1998 as modified vide OM No. 22011/4/2013-Estt.(D) dated 28th January, 2015. An indicative pattern has been provided in the Model Calendar for various events involved in the pre/post DPC related actions. All the Ministries/Departments have been impressed upon from time to time by this Department to adhere to the prescribed time-line so as to ensure that the panel is ready in time and is utilised as and when the vacancies arise during the course of the vacancy year.

2. Appointment Committee of Cabinet has viewed it seriously that the DPCs are not being convened in time. Delay in promotion affects the manpower planning and impedes the career progression of the employees. The delays in conduct of DPC negate the very purpose of the Model Calendar for DPCs issued vide Office Memorandum No. 22011/9/98-Estt. (D) dated 8th September, 1998 as modified vide OM No. 22011/4/2013-Estt.(D) dated 28th January, 2015.
3. The objective of timely promotions of employees in various Ministries/Departments can be achieved only by granting the promotion in time.

4. All the Ministries/Departments are, therefore, once again advised to ensure strict compliance of instructions in order to achieve the desired objectives of timely convening of DPCs/preparation of approved select panels within the prescribed time frame.

Government of India,

The Model Calendar envisages initiating action in advance of the commencement of the vacancy year so as to have the approved select panels ready before start of the vacancy year and ensure timely promotions of employees.

2. The Annual Performance Assessment Reports (APAR) schedule separately provide a time schedule for preparation/completion of APARs O.M. No. 21011/1/2005-Estt.(A) (Pt-II) dated 23rd July, 2009. The crucial date of eligibility is 1st April of the vacancy year (Financial year based vacancy year) and 1st January (Calendar year based vacancy year) as per OM No. 22011/6/2013-Estt.(D) dated 28th May, 2014.

NOTE : Dates/periods suggested in the Model Calendar for DPC put no bar on earlier completion of various pre/post-DPC related actions.

Every effort may, as such, be made for taking speedy action in the matter without waiting for the last date or completion of the period as suggested by the Model Calendar for DPCs.

4. It has been decided to make the aforesaid Model Calendar for DPCs operational with effect from April 1, 2015 in relation to the financial year based vacancy year 2016-17 commencing from April 1, 2016. In the case of calendar year-based vacancy year commencing from January 1, 2016, the model DPC Calendar will take operational effect from January 1, 2015. These instructions shall, accordingly, be applicable to all such subsequent vacancy years.
5. The success of the model Calendar depends upon the Ministries/Departments initiating timely action in advance and furnishing the complete proposals to the DPCs with relevant APARs, copy of Service/Recruitment Rules, seniority list, penalty statement and correct vacancy position etc. All Ministries/Departments are, therefore, requested to give these instructions wide circulation and ensure strict compliance so that the desired objectives of convening of DPC meetings/preparation of the approval select panels as per the aforesaid prescribed timeframe may be achieved.

6. Model Calendar for DPCs conducted by UPSC both for ACC and Non-ACC cases is separately under review. Meanwhile, cadre controlling authorities are advised for timely completion of calculation of vacancy; finalization of Seniority List; collection of information on vigilance clearance status; completion of penalty statement for last ten years so that the proposal for seeking the date from UPSC for holding DPC may be taken up on completion of APARs including disposal of representations received on entries/grading in ACRs/APARs. The instructions with regard to JS level officer as designated authority for timely holding of DPCs and requirement of complete proposal as contained in OM No. 22011/1/2011-Estt.(D) dated 25th March, 2011 and OM No. 22011/3/2011-Estt.(D) dated 24th March, 2011 are reiterated.

OFFICE MEMORANDUM
The 30th January, 2015

Subject: Procedure for conduct of supplementary DPC

No. 22011/2/2014-ESTT(D).—This Department instructions issued vide OM No. 22011/5/86-Estt.(D) dated 10th April, 1989 [para 6.4.2 (i)] provide that vacancies occurring due to death, voluntary retirement, new creations etc. could not be foreseen at the time of placing facts and materials before the DPC, therefore, another meeting of DPC (commonly referred to supplementary DPC) should be held for drawing up a panel for these vacancies.

2. References have been received with regard to the zone of consideration, the eligibility list for the supplementary DPC and whether officers who are included in the panel by the original DPC or in the extended panel but could not be promoted as these anticipated vacancies do not actually become available could be appointed against the additional vacancies later becoming available for the same vacancy year.

3. These issues have been examined in consultation with UPSC and following is decided :-

(i) The zone of consideration, in case of holding supplementary DPC, shall be fixed as per the provisions in this Department OM No. 22011/2/2002-Estt.(D) dated 6th January, 2006 keeping in view total number of vacancies arising in a particular vacancy year i.e. vacancies accounted in Original DPC + additional vacancies becoming available subsequently during the same year.

(ii) The eligibility list for supplementary DPC shall be prepared by removing the names of all such officers who have already been assessed by earlier DPC as fit, unfit or placed in the sealed cover by the original DPC before placing the same for consideration by the supplementary DPC.

(iii) The officers who have already been empanelled or placed in the extended panel but could not be promoted due to these vacancies not actually becoming available; need not be re-assessed by the supplementary DPC as the assessment matrix remains the same. They may be appointed against the additional vacancies of the same vacancy year as per recommendations of the earlier DPC. In such situation the number of vacancies for supplementary DPC shall be accordingly adjusted.

4. While calculating the regular vacancies for a DPC, it is incumbent upon administrative department to ensure that there is no arbitrariness in calculation of anticipated vacancies.

5. To provide clarity in implementation of these instructions some situation specific illustration are enclosed as Annexure to this OM.

NOTIFICATION
The 18th September, 2015

No. TOU (DEV) 289/2012 (Pt-II).—The Governor of Arunachal Pradesh is pleased to order the re-structuring of the ‘Chief Minister’s Paryatan Vikas Yojna’ scheme as per the following new guidelines with immediate effect :-

Background :
It has been observed that many of the beneficiaries who have availed the Chief Minister’s Paryatan Vikas Yojna (CMPVY) scheme are not using the vehicles purchased under the scheme as tourist cabs, but rather use the vehicles for their personal purposes.

It has also been noticed that many of the vehicles under this scheme bears no sign of any stickers on their vehicles in spite of repeated warnings to them by the department as well as by the Deputy Commissioners in the districts. And even if the stickers are pasted on their vehicles, it is easily removed by the owner. Hence, it is very essential to restructure the innovative scheme in a bid to take it to a more tourist-friendly scheme.

Scope of the Scheme (new) :
The entire state is endowed with thick forests with numerous rivers and many flora and fauna. The five rivers of the State, namely - Kameng, Subansiri, Siang, Lohit and Tirap flow their way through the green hills. Its rivers are ideal for angling, boating and rafting and its terrain is suitable for trekking, hiking and other various types of adventure sports activities. Thus, the higher reaches offer an ideal landscape for promoting adventure tourism of all kinds. It is because of such great scope that the State has vast untapped adventure tourism potentials. Accordingly, it was felt that the Chief Minister’s Paryatan Vikas Yojna needs to include adventure tourism also as one of the components of the scheme.

Mode of Re-Structuring the Scheme :
Instead of subsidizing tourist vehicles to the beneficiaries, the Tourism Department proposed to finance the following tourism activities under the scheme :

(i) Patisserie and food courts in popular tourist spots and important towns / tourist places of Arunachal Pradesh.

(ii) Value addition to Home stay operators which includes renovation of 2 (two) adequately sized well furnished rooms with attached toilet with shower, geyser and western toilet.

(iii) Purchase of various types of adventure tourism equipments such as rafts, kayaks, Quad bikes, lorbs, lip lines, Bungee jumps etc.

Selection of beneficiaries :
The selection of beneficiaries shall be done based on the following manner :-

(i) Under Home Stay :
The beneficiaries shall be selected initially from the following district / areas :-

(a) Tawang region
(b) Bomdila region
(c) Seppa region
(d) Ziro region
(e) Mechuka region

Essential requirements to become a beneficiary of the scheme are as under :-

(a) Beneficiaries should be Home Stay operators registered with the Department of Tourism.

(b) Those Home Stay operators who have trained with the Department of Tourism will be given priority.

(c) Beneficiaries should be a registered tour operator with the Tourism Department.

(e) Selection will be done by Deputy Commissioner. Department will send a list of registered Home stay and eligible tour operators of the district. Selection of beneficiary will be done by way of lottery from amongst this list only.

(ii) Patisseries and food court :
The following important tourist spots/destinations/towns/centers have been initially proposed for opening of food courts which could be extended to other places in due course of time. The selection of the beneficiaries for the Home stay and Hunar Se-Rojgar Tak (HSRT)/bakery/Patisserie will be done district-wise which would include :

The selection of beneficiaries will be done from amongst the Hunar-Se-Rojgar Tak (HSRT) trainees of the districts as per the districts/towns/tourist centers mentioned below:

OFFICE MEMORANDUM

The 29th October, 2015

Subject :- Channel of submission of representation from Government servants on Service matters.

No. AR-130/2015.—It has come to the notice of the Cabinet Secretariat, Government of India, that some employees of the Government of Arunachal Pradesh have submitted representation directly addressing to the Prime Minister/Prime Minister’s Office on service matters and other issues in the recent past. The Cabinet Secretariat has viewed it seriously for bypassing the channel and directly addressing representation to the Prime Minister/Prime Minister’s Office on service matters and other issues vide their D.O. No. 501/1/4/2014-CA.V dated 17th August, 2015.

2. It has also been noticed that there is a common trend among the employees to submit representation directly addressing to the President/Prime Minister/Union Ministers/Union Secretaries/Governor/Chief Minister/Ministers/Chief Secretary/Secretary to the State Government on service matters and other issues which is beyond the principles of rules and laid down procedures. Addressing directly to the higher authorities is not in consonance with the Central Civil Service (Conduct) Rules, 1964. It is also noticed that several employees are taking the help of Political Leaders and higher dignitaries for putting pressure on the department in their favour in various service matters which is unbecoming of a Government servant and beyond the spirit of the Central Civil Service (Conduct) Rules, 1964.

3. If a Government servant wishes to press a claim or to seek Redressal of his grievances in any matters connected with his service rights or conditions, the proper course for him is to address to the immediate official superior, or the Head of Office or such authority at the lowest level as he is competent to deal with the matter. Submission of the representations directly to higher authorities by bypassing the prescribed channel of communication, needs to be viewed seriously as it can be construed as an unbecoming conduct attracting the provisions of Rule, 3 (1) (ii) of Central Civil Service (Conduct) Rules, 1964. It may also be emphasized that the aforesaid instructions are observed scrupulously so that rule 20 of Central Civil Service (Conduct) Rules 1964 is not violated.

4. In view of the facts mentioned above, all class of employees of the Government of Arunachal Pradesh is hereby directed to invariably route all representation in their service matters or other issues to the immediate official superior, or Head of Office, or such other authority at the appropriate level as is competent to deal with the matter in the organisation. As such submission of representation directly to higher authorities bypassing prescribed channel of communication is a violation of conduct rules and has to be viewed seriously.

5. Therefore, the above decision is brought to the notice of all Departments/Organisations/Offices under the Government of Arunachal Pradesh for necessary action and compliance.

Ramesh Negi
Chief Secretary to the
Government of Arunachal Pradesh,
Itanagar.

It is also seen that though the recruitment to civil posts/ services under the state Government is governed by the service rules/recruitment rules, however, the modalities in filling up of the posts is not maintained uniformly.

AND WHEREAS, the competent authority for conducting direct recruitment for all Group ‘A’ and ‘B’ post is vests with the Arunachal Pradesh Public Service Commission as per the Arunachal Pradesh Public Commission (Limitation of Functions) Regulation, 1988. But it has been noticed lately that most of the appointing authorities do not submit requisition to the State Public Service Commission on time to conduct recruitment examination to fill up the post(s).

AND WHEREAS, it is also seen the authorities/agencies do not indicate-the actual number of posts to be filled in such recruitment and as a result a long panel list which is kept as reserve is used for the future vacancies which is against the spirit of Article 14 and 16 of the Constitution of India.

The Hon’ble Court ordered the respondent’s authorities to refrain from making any appointments from amongst the wait listed candidates and that if any additional future vacancies are to be filled up, the respondents would initiate a fresh recruitment process in accordance with the rules in force.

AND WHEREAS, the matter was examined at the Government level and it has been decided to frame a general guidelines in this regard for information and guidance of all Recruiting and appointing agencies.

OFFICE MEMORANDUM

The 27th November, 2015

Subject: — Submission of files and correspondence for advice/clearance from the Department of Administrative Reforms

No. AR-158/2015.—This is with reference to the Office Memorandum No. AR-16/2011 dated 4th March, 2011 on the subject mentioned above wherein procedures for submission of files and correspondence to this Department were laid down. Of late, it has been observed from time and again that in spite of having notified the procedure for submission of files and correspondences, almost all the Subordinate Offices (Chief Engineer/ directorates/Field Offices) are directly submitting files and correspondences without routing it through their respective Heads of Department (Principal Secretaries, Commissioners & Secretaries) are in the habit of submitting files and correspondences without observing the said procedures and also without being examined in the Secretariat Branch by bypassing their respective Administrative Secretariat Departments. As per the procedure, any inter Departmental consultation shall be made by the Secretary of the Department concerned with a self contained notes giving details on which Point the clearance, advice, opinion, clarification and views are required from the Department of Administrative Reforms

In addition to the fact mentioned above, it has also been noticed from day in and day out that individuals and groups are carrying the departmental files and make a coercive approach to the officers and officials of the Department of Administrative Reforms to get their proposal on hand clearance. The persons who are approaching with the files are, sometimes, not related to the originating Department and happen to be member of the general public. Sometimes, when the Department of Administrative Reforms disagree with the proposal of the Department for certain valid reasons, the individual who are following the files creates obnoxious and ugly scenarios in the office, such as, putting immense pressure /threat/ coercion and practices like misplacing notes and files etc thereby spoiling the working environment of this Department. Due to frequent visit of outsiders, the disposal of cases is unnecessarily delayed besides losing precious productive man-hours of the functionaries.

The business of the Department of Administrative Reforms is mainly policy formulation, concurrence, clarification and advisory in nature. Proper and logical application of mind is necessary for effective framing of policies and disposal of cases in terms of rules. However, due to heavy rush and preoccupation in disposal of the visitors, considerable productive working hours of the officers and officials are spared on unproductive work.

Therefore, in addition to the guidelines prescribed under the Office Memorandum No. AR-16/2011 dated 4th March, 2011, the following procedures are prescribed for dealing with the -cases that are referred to the Department of Administrative Reforms for advice, clearance, opinion etc. and also for observance by all the Departments /Offices:—

1. The Directorates and Field offices shall submit their file to the respective Administrative Secretariat Department for examination in the Secretariat Branch. The Secretariat Branch of the Department shall examine the cases properly and dispose of the simple and routine nature of case at their level. Other cases where mandatory interdepartmental consultation is necessary shall be submitted through the respective Secretary of the Administrative Secretariat Department invariably. The files or cases which are submitted by bypassing the channels shall not be entertained in the Department of Administrative Reforms. Routine and administrative nature of cases should not be referred to this department.

2. The file shall be properly examined in the respective Administrative Secretariat Department before it is submitted to higher authority for inter-departmental consultation with a detailed self contained note signed by the Secretary of the Department.

3. The Department shall authorize a person for tracking of the files through an authorization letter. The tracking of the file shall be done solely by the authorized person of the respective Department of the Secretariat branch of the department. The practice of reading and copying files during the course of movement or in the registry or in the section is not allowed. No staff of the Field Office(s) or outsiders is allowed to track the file.
4. The Department of Administrative Reforms has already circulated the Citizen Charter wherein time periods for disposal of cases have been committed. Therefore, the Department should seek the position of the file where delay occurs beyond the committed time in writing through proper communication instead of engaging people as serial 3. On receipt of such communication this department will verify the matter and reply promptly to the originating Department within 5 working days.

5. The Receipt and dispatch of file shall be made through the Central Issue /Central Registry and no delivery of file shall be made directly. No person shall be allowed to carry the file during the intra and interdepartmental consultation /movement.

6. The visitors are allowed to meet at the level of Under Secretary (AR) and above during the working days and at the visiting time. Entry of visitors in the Branch /Section is strictly prohibited.

7. The practice of approaching for collection of the copies of Notifications, Orders, Office Memorandum, and Letters etc. shall not be entertained as all Orders, Notification and Office Memorandums issued from the Department of Administrative Reforms are uploaded in the departmental website www.arungovard.nic.in in addition to circulation of hard copies to all concerned Department/Offices as per the standard distribution list. If any department requires copies of any Notification, Order, OM etc. they should send a proper demand letter.

Therefore, all Department(s)/Offices under the Government of Arunachal Pradesh are directed to strictly adhere to the procedures prescribed above while making any correspondence with this Department. The files or correspondences which are received without routing through the prescribed channel will not be entertained forthwith in the Department of Administrative Reforms.
