Journalism, particularly the print media, made its presence felt in Arunachal Pradesh decades after the birth of print media in India. While the first newspaper of India, the Bengal Gazette, was published from Calcutta in 1780 by James Augustus Hickey, Echo of Arunachal, the first newspaper of the state was published only in 1988.

Hardly a year after the launch of Echo of Arunachal, The Arunachal Times, the state’s first daily newspaper, hit the stands. The Dawnlit Post, the Arunachal Citizens, and a few weeklies including the Arunachal Front followed suit. Again, on August 20, 2007, Arunachal Front became one of the daily newspapers in the state.

With the growth of journalism, especially, the print media, an onerous responsibility has fallen on the part of the State Government in regard to facilitation of a free and fair media so that this fourth pillar of democracy gets a sound foothold in this remote state. The State Government realizes the need of nurturing and supporting of various media organizations to enable them to discharge their services in a most responsible ways by becoming partners in the entire development process. For this to achieve, the issues of welfare and interests of journalists, particularly of private organizations, require attention as on many occasions they have to discharge their services against trying circumstances.

GROUND :-

Arunachal Pradesh is the youngest State in the North-Eastern region having an area of 83,743 sq km and a population of about 10.98 lakhs. Administratively it is divided into 16 districts comprising of 17 towns and 3875 villages (as per 2001 census). The level of rural electrification has been 48% in 2005-06.

With a view to achieve Electrification of all the villages by 2009 and to provide power supply to every household by 2012, in line with the National Rural Electrification Policy 2004, the Rural Electrification Policy 2005 of the State has been formulated Rural Electrification Plan under Rajiv Gandhi Grammeen Vidyutikaran Yojana.

1. INTRODUCTION AND OBJECTIVE :-

1.1 Ministry of Power, Government of India vide its resolution No. 44/26/05/05-RE(Vol-VII) dated 23rd August, 2006 has modified the National Rural Electrification Policy. In accordance with section-6 of Electricity Act, 2003, Government of Arunachal Pradesh hereby notifies the Rural Electricity Plan in accordance with the National Rural Electricity Policy for achieving the following objectives :-

* To provide facilities for access to electricity for all Rural Households during the 11th Five Year Plan.
* To provide quality and reliable power supply at reasonable rates.
* To supply minimum life line consumption of 01 unit per household per day as a merit goal by year 2012.

1.2 Para No. 3.4 of the said policy stipulates that the State has to prepare and notify a Rural Electrification Plan to achieve the goal for access to electricity for all households.

1.3 The Government of India has introduced a new scheme “Rajiv Gandhi Grammeen Vidyutikaran Yojana (RGGVY)-scheme” for Rural Electricity Infrastructure and household electrifications and guideline were issued by Ministry of Power, Government of India vide letter No. 44/19/2004-D(RE) dated 18th March 2005. The scheme would be implemented through Rural Electrification Corporation (REC), which has been designated as the Nodal Agency. The responsibility of implementation of the district wise projects under the scheme has been entrusted to the Department of Power, Arunachal Pradesh.

1.4 Deployment of franchisees for the management of rural distribution in projects financed under the scheme and ensure determination of bulk supply tariff for franchisees in a manner which ensures their revenue return substantially with improved services to consumers.
1.5 In a view of the targets included in the National Electricity Policy it is essential to develop generation capacity in power sector to meet the above goals which are included in Rajiv Gandhi Gramin Vidyutikaran Yojana as framed by Ministry of Power and other capacity addition programmes of the State.

1.6 The Government of Arunachal Pradesh shall be the owner of the assets created in the implementation of the projects as proposed by the State Government and sectioned by REC. The Department of Power has been authorized to operate and maintain these assets for effective power supply in the project areas and derive consequential benefits out of the assets created under the project by way of revenue to be received against O&M of the system and the cost of power supplied.

1.7 Rural Electrification Plan shall be a five year plan beginning from April, 2007 and will be known as :- “Rural Electrification Plan 2007-2012” and shall fulfill objective with regard to providing reliable and quality power supply to the consumers within the state, besides access to electricity to all households in the 11th Five Year Plan, with achievement of merit goal of minimum of 01 KWH (unit) per house hold per day by the year 2012.

2. APPROACH TO RURAL ELECTRIFICATION :-

For villages intensive distribution network having distribution voltage of 11000 volts and 440 volts shall be developed and necessary infrastructure of distribution network such as sub-stations, distributions transformer, LT line, complaint centers etc, shall be developed. The development of infrastructure is to be ensured in the schemes under implementation by DOP and setting up complaints centers and related mechanism to ensure services to consumers by the franchisee(s).

Each of the electrified villages included in the plan shall include :-

* Basic infrastructure such as Distribution Transformer and Distribution lines in the inhabited locality as well as a minimum of one Hamlet where it exists ; and
* Electricity provided to public places like School, Panchayat office, Health Centers, Dispensaries community centers etc ; and
* Number of households electrified to be atleast 10% of the total number of households in the village. Further, plan shall also encourage domestic lighting scheme for such areas which are not covered under RGGVY and may provide for following :-
  * To have stand alone local distribution network based on solar lighting system or any other non-conventional sources.
  * To have stand along local distribution based on generator running on Mini Micro Hydel in rural areas which are being notified as rural areas as per the provision of Electricity Act, 2003.

3. SCHEME FOR RURAL ELECTRICITY INFRASTRUCTURE AND HOUSEHOLD ELECTRIFICATION-RGGVY :-

The Ministry of Power, Government of India has recently reviewed the existing schemes of Rural Electrification recently and has launched a comprehensive programme of RGGVY in which all the 16 Districts of the State are included. Under this scheme the project will be financed with 90% capital subsidy for provision of -

* Rural Electricity Distribution Backbone (REDB)
* Provision of 33/11KV sub-Station of adequate capacity and lines in blocks where these do not exist.
* Creation of Village Electrification Infrastructure (VEI)
* Electrification of un-electrified villages.
* Electrification of un-electrified habitations.
* Electrification of de-electrified villages/habitations.
* Provision of distribution transformers of appropriate capacity in electrified villages/habitation(s)
* BPL household electrifications.

DECLARATION OF VILLAGE/MAJRA-TOLA(HAMLET) AS ELECTRIFIED :-

As per the definition of an electrified village specified vide MoP letter No. 42/1/2001 D(RE) dated 5th February 2004, a village would be declared as electrified based on the certificate issued by Gram Panchayat certifying that :-

* Basic infrastructure such as Distribution Transformer and Distribution lines are provided in the inhabited locality.
Electricity is provided to public places like Schools, Panchayat office, Health Centers, Dispensaries, Community Centres etc.; and

The number of households electrified is at least 10% of the total number of households in the village/habitat.

As per the RE plan 2007-12 adopted by Government of Arunachal Pradesh, the State Government shall notify a village as electrified only after fulfilling the above mandatory requirements.

**DEVELOPMENT OF STAND ALONE SYSTEM IN RURAL AREAS BASED ON GENERATION ON MINI MICRO HYDEL PROJECT:**

Government of Arunachal Pradesh had already notified the rural areas in the State as per section-6 of Electricity Act, 2003 (Act No. 36 of 2003).

Government shall encourage the development of local stand alone system in the area based on generation Hydel Project. State Government shall facilitate such projects by giving quick clearance through administrative measures such as single window clearance with easy access for giving necessary approval in a time bound manner to fully utilize the potential of our local resources. This will cover those areas which are otherwise wise not being electrified from the grid power.

6. **MONITORING OF THE PLAN:**

The progress of the plan shall be monitored by the State Government through a high level committee headed by the Secretary (Power), in the state level and chairperson of ZPM as a Chairman in the district level on a quarterly basis and Government shall facilitate the resolution of all the difficulties in the implementing of the works under RGGVY and achieve the objectives of the Plan.

7. **PLANNING FOR DEVELOPMENT OF INFRASTRUCTURE TO MEET THE DEMAND GROWTH ON IMPLEMENTATION OF RGGVY:**

The direct and indirect increase in demand for electricity as a result of implementation of RGGVY will necessitate augmentation of Generation, Transmission and Sub-Transmission infrastructures. The plan made for augmentation of Generation capacity expansion of Transmission and Sub-Transmission to cope-up with the increase in demand is out lined as below:

7.1 Arunachal Pradesh has enough administrative capacity to build power plants. Plant wise Investment for Generation of Electricity in next five year has been shown below. It is evident that Arunachal Pradesh State has planned for enhancement of generation capacity to meet the demand of RGGVY along with future load growth under Normal Development Works shown in Annexure-I.

7.2 Provision for erection of new 132KV line and 132 KV S/S has been made in the next 11th Five Year Plan which has been shown in Annexure-II.

7.3 Provisions for development of Sub-Transmission infrastructures to cope up the demand of other consumers in next five years along with RGGVY load growth have been shown in Annexure-III.

7.4 Investment Plan for the State for next five years towards development of Generation, Transmission and Distribution has been shown in Annexure-IV.

8. **SUSTAINIBILITY OF BPL TARIFF:**

Sustainability has been aimed at by keeping the tariff for the life line consumption of 01 unit per day by BPL house-holds reasonable as compared with the tariff Applicable to other categories of consumers.

9. **FIXATION OF BULK SUPPLY TARIFF FOR FRANCHISEES:**

Under this policy, the tariff structure of the state shall be suitably modified to provide for a separate Bulk Supply tariff applicable solely for Franchisees operating in declared Rural Areas. If needed arrangement for special tariff subsidy shall be made for franchisees operating in Rural Areas.

10. **CAPACITY BUILDING:**

The State Government has entrusted the implementation of the RGGVY Scheme to the Department of Power, Arunachal Pradesh. The Scheme is spread in all 16 districts of Arunachal Pradesh namely :- Tawang, West Kameng, East Kameng, Papum Pare, Lower Subansiri, Kurung Kumey, Upper Subansiri, West Siang, Upper Siang, East Siang, Lower Dibang Vally, Dibang Vally, Lohit, Anjaw, Changlang and Tirap. The Scheme shall be executed by the Executive Engineer (E) along with subordinate Technical Officers in divisional level in each district. The Superintending Engineer (E) will supervise the management, implementation and quality monitoring of the project in the circle level. The State Government has already appointed the Chief Engineer, Eastern Electrical Zone as a State Nodal Officer who will be the overall in-charge of the monitoring of progress of the Scheme.
11.1 The present status of rural electrification in the State of Arunachal Pradesh vis-a-vis inhabited villages, electrified villages through conventional and non-conventional means are shown in Annexure-V.

12. Mediation - What is it?

Mediation is one of the methods of Alternative Dispute Resolution contemplated under section 89 read with Order X Rule 1A of the Code of Civil Procedure. It is an impartial attempt at resolving disputes through settlement, rather than merely disposing of a case which nevertheless may still leave one party to the lis dissatisfied resulting into appeals and revisions. It is a voluntary non-adversarial, non-binding process in which an impartial and neutral mediation, assists the parties in understanding their roles as active participants in reaching a solution to their disputes through a flexible process suitable to the needs of the participants. It is a process assisting the parties to cultivate a thought process through a non-binding confidential negotiation to come forth with creative remedies, which will be helpful to both the parties through the ultimate resolved solution. In mediation there is no one complete winner or loser but each party comes away with something beneficial. A mediator does not impose a solution but uses special negotiation skills and communication techniques thus creating an atmosphere under which parties can resolve their disputes, often much beyond the ambit of that particular litigation, by reaching the underlying root cause of disharmony and discontent between the parties. The mediator assists each of the parties to understand the opposite parties point of view, interest and priorities and leaves the decision making power with the parties thereby giving both sides a sense of satisfaction and vindication.

13. Panel of Mediators:

(a) At the recommendation of the Supervisory Committee, Hon'ble the Chief Justice of the Gauhati High Court may finalize the panel of Mediators of the Gauhati High Court Mediation Centre and for the Mediation Centres at the outlying Benches.

(b) The panel of mediators prepared by the District Legal Services Authorities of the respective States shall obtain approval from the chairpersons of the Gauhati High Court Mediation Centre and the Mediation Centres at the outlying Benches as the case may be.

14. Mediator - Who can be empanelled?

The panel of the mediators shall be prepared as per Rules 3 and 4 of the Civil Procedure Mediation (Gauhati High Court) Rules, 2007 and shall be subject to the provisions of Rule 5 of the said Rules.

Initially the Chairperson of the Northeast Bar Council and the President of the Gauhati High Court Bar Association may be requested to provide the names of lawyers with the qualifications prescribed in Rule 4 of the said Rules. Apart from this, names of persons having the aforesaid qualifications and interested in becoming mediators may be invited through public advertisement. A separate cadre of officers from the Judiciary and from among the lawyers and from other professionals to be trained as “Active Mediators” may be formed both at the level of the High Court and the District Courts.

The panel of Mediators may be reviewed periodically by the Chairperson of the Supervisory Committee.

15. Honorarium/Remuneration to be paid to the Mediators:

With a view to encouraging mediation, the Mediator is to be paid honorarium fee as per provisions laid down in Rule 26 of the Civil Procedure Mediation (Gauhati High Court) Rules, 2007. To ensure sustained interest of Mediators, payment of honorarium fee shall commence after the Mediator has completed four successful mediations and has taken part in eight mediations in all.

16. Reference of Disputes to Mediation Centres:

The keys to the success of Mediation are the Referral Judge and the appropriate selection of cases made on party characteristics, case characteristics, types of cases and objective assessment of a fit case for referral and holding of a hearing by the Referral Judge with the participants briefly explaining to them about mediation and its process.

Whenever a matter is referred to the Centre of Mediation, the Secretary, depending on the nature of the dispute shall choose an appropriate Mediator from the panel.

The Mediator shall strictly follow the Civil Procedure Mediation (Gauhati High Court) Rules, 2007.
17. **Infrastructure:**

(b) Accommodation of the Mediation Centres in the Districts may be provided by the concerned District Legal Services Authorities.

(c) Necessary staff may be provided to the Mediation Centres at the High Court level by the concerned Registry with the approval of Hon'ble the Chief Justice at the Principal Seat and with the approval of the Chairpersons in the outlying Benches and in respect of the Mediation Centres at the District level by the Chairpersons of the District Legal Services Authorities with the approval of the Hon'ble Portfolio Judges.

(d) The process will continue till alternative arrangements of accommodation and creation of posts are made by the respective State Governments.

18. **Other aspects of Mediation:**

(a) There should be proper interaction and coordination among the different Mediation Centres being run in different states either at the High Court level or at the District level so that there is uniform application of mediation throughout the country.

(b) Mediation should be implemented in such a manner which is suitable to the Indian context. It should be established with the spirit to render public service.

(c) The Mediators shall conduct themselves in accordance with the provisions laid down in Rule 20 of the Civil Procedure Mediation (Gauhati High Court) Rules, 2007.

(d) The State Government should provide sufficient funds to develop basic and minimum infrastructure necessary to conduct mediation.

(e) Should there arise any controversy regarding the interpretation of the provisions above the matter is to be referred to the Supervisory Committee of the Gauhati High Court for its interpretation subject to approval of the Patron-in-Chief.

These Rules shall be called the Alternative Dispute Resolution (Gauhati High Court) Rules, 2007.

Rule 2: Procedure for directing parties to opt for alternative modes of settlement:

(a) The Court shall, after recording admissions and denials at the first hearing of the suit under Rule 1 of Order X, and where it appears to the Court that there exist elements of a settlement which may be acceptable to the parties, formulate the terms of settlement and give them to the parties for their observations under sub-section (1) of Section 89, and the parties shall submit to the Court their responses within thirty days of the first hearing.

Rule 3: Persons authorised to take decision for the Union of India, State Governments and others:

(1) For the purpose of Rule 2, the Union of India or the Government of a State or Union Territory, all local authorities, all Public Sector Undertakings, all statutory corporations and all public authorities shall nominate a person or persons or group of persons who are authorised to take a final decision as to the mode of Alternative Dispute Resolution which it proposes to opt for in the event of direction by the Court under Section 89 and such nomination shall be communicated to the High Court within a period of three months from the date of commencement of these Rules and the High Court shall notify all the Subordinate Courts in this behalf as soon as such nomination is received from such Government or authorities.

Rule 4: Court to give guidance to parties while giving direction to opt:

(a) Before directing the parties to exercise option under clause (b) of Rule 2, the Court shall give such guidance as it deems fit to the parties, by drawing their attention to the relevant factors which parties will have to take into account, before they exercise their options as to the particular mode of settlement, namely:

(i) that it will be to the advantage of the parties, so far as time and expense are concerned, to opt for one or other of these modes of settlement referred to in section 89 rather than seek a trial on the disputes arising in the suit;

(ii) that, where there is no relationship between the parties which requires to be preserved, it may be in the interest of the parties to seek reference of the matter to arbitration as envisaged in clause (a) of sub-section (1) of section 89;

(iii) that, where there is a relationship between the parties which requires to be preserved, it may be in the interest of the parties to seek reference of the matter to conciliation or mediation, as envisaged in clauses (b) or (d) of sub-section (1) of section 89;

(v) the difference between the different modes of settlement, namely, arbitration, conciliation, mediation and judicial settlement are explained below:
Settlement by ‘Arbitration’ means the process by which an arbitrator appointed by parties or by the Court, as the case may be, adjudicates the disputes between the parties to the suit and passes an award by the application of the provisions of the Arbitration and Conciliation Act, 1996 (26 of 1996), in so far as they refer to arbitration.

Settlement by ‘Conciliation’ means the process by which a conciliator who is appointed by parties or by the Court, as the case may be, conciliates the disputes between the parties to the suit by the application of the provisions of the Arbitration and Conciliation Act, 1996 (26 of 1996), in so far as they relate to conciliation, and in particular, in exercise of his powers under sections 67 and 73 of that Act, by making proposals for a settlement of the dispute and by formulating or reformulating the terms of a possible settlement; and has a greater role than a mediator.

Settlement by ‘Mediation’ means the process by which a mediator appointed by parties or by the Court, as the case may be, mediates the dispute between the parties to the suit by the application of the Mediation Rules, 2003 in Part II, and in particular, by facilitating discussion between parties directly or by communicating with each other through the mediator, by assisting parties in identifying issues, reducing misunderstandings, clarifying priorities, exploring areas of compromise, generating options in an attempt to solve the dispute and emphasizing that it is the parties’ own responsibility for making decisions which affect them.

Settlement in Lok Adalat means settlement by Lok Adalat as contemplated by The Legal Services Authorities Act, 1987.

‘Judicial settlement’ means a final settlement by way of compromise entered into before a suitable institution or person to which the Court has referred the dispute and which institution or person is deemed to be the Lok Adalat under the provisions of The Legal Service Authorities Act, 1987 (39 of 1987) and where after such reference, the provisions of the said Act apply as if the dispute was referred to a Lok Adalat under the provisions of that Act.

(A) Model Rules for Trial Courts and First Appellate Subordinate Courts:

I. Division of Civil Suits and Appeals into Tracks:

1. Based on the nature of dispute, the quantum of evidence to be recorded and the time likely to be taken for the completion of suit, the suits shall be channeled into different tracks. Track 1 may include suits for maintenance, divorce and child custody and visitation rights, grant of letters of administration and succession...
Once in a month, the registry/administrative staff of each Court will prepare a report as to the stage and progress of cases that are proposed to be listed in next month and place the report before the Court. When the matters are listed on each day, the judge concerned may take such decision as he may deem fit in the presence of counsel/parties in regard to each case for removing any obstacle in service of summons, completion of pleadings etc. with a view to making the case ready for disposal.

The judge referred to in clause (2) above, may shift a case from one track to another, depending upon the complexity and other circumstances of the case.

Where computerization is available, the monthly data will be fed into the computer in such a manner that the judge referred to in clause (2) above, will be able to ascertain the position and the stage of every case in every track from the computer screen. Over a period, all cases pending in his Court will be covered. Where computerization is not available, the monitoring must be done manually.

The judge referred to in clause (2) above, shall monitor and control the flow or progress of every case, either from the computer or from the register or data placed before him in the above manner or in some other manner he may innovate.

II. Original Suit:

1. Fixation of time limits while issuing notice:
   (a) Wherever notice is issued in a suit, the notice should indicate that the Code prescribes a maximum of 30 days for filing written statement (which for special reasons may be extended up to 90 days) and, therefore, the defendants may prepare the written statement expeditiously and that the matter will be listed for that purpose on the expiry of eight weeks from the date of issue of notice (so that it can be a definite date). After the written statement is filed, the replication (if any, proposed and permitted), should be filed within six weeks of receipt of the written statement. If there are more than one defendant, each one of the defendant should comply with this requirement within the time limit.
   (b) The notice referred to in clause (a) shall be accompanied by a complete copy of the plaint and all its annexures/enclosures and copies of the interlocutory applications, if any.
   (c) If interlocutory applications are filed along with the plaint, and if an ex-parte interim order is not passed and the Court is desirous of hearing the respondent, it may, while sending the notice along with the plaint, fix an earlier date for the hearing of the application (the date for filing written statement) depending upon the urgency for interim relief.

2. Service of Summons/notice and completion of pleadings:
   (a) Summons may be served as indicated in clause (3) of Rule 9 of Order V.
   (b) In the case of service of summons by the plaintiff or a courier where a return is filed that the defendant has refused notice, the return will be accompanied by an undertaking that the plaintiff or the courier, as the case may be, is aware that if the return is found to be false, he can be punished for perjury or summarily dealt with for contempt of Court for abuse of the provisions of the Code. Where the plaintiff comes forward with a return of refusal, the provisions of Order 9A Rule (4) will be followed by re-issue of summons through Court.
   (c) If it has not been possible to effect service of summons under Rule 9 of Order V, the provisions of Rule 17 of Order V shall apply and the plaintiff shall within 7 days from the date of inability to serve the summons, request the Court to permit substituted service. The dates for filing the written statement and replication, if any, shall accordingly stand extended.

3. Calling of cases (Hajri or Call Work or Roll Call):
   The present practice of the Court-master or Bench-clerk calling all the cases listed on a particular day at the beginning of the day in order to confirm whether counsel are ready, whether parties are present or whether various steps in the suit or proceeding have been taken, is consuming a lot of time of the Court, sometimes almost two hours of the best part of the day when the judge is fresh. After such work, the Court is left with very limited time to deal with cases listed before it. Formal listing should be first before a nominated senior officer of the registry, once or two days before the listing in Court. He may give dates in routine matters for compliance with earlier orders of Court.
   Cases shall be listed before Court only where an order of the Court is necessary or where an order prescribing the consequences of default or where a peremptory order or an order as to costs is required to be passed on the judicial side. Cases which have to be adjourned as a matter of routine for taking steps in the suit or proceeding should not be unnecessarily listed before Court. Where parties/ counsel are not attending before the Court-officer or are defiant or negligent, their cases may be placed before the Court. Listing of cases on any day before a Court shall be based on a reasonable estimate of time and number of cases that can be disposed of by the Court in a particular day. The Courts shall, therefore, dispense with the practice of calling all the cases listed adjourned to any particular day. Cases will be first listed before a nominated senior officer of the Court, nominated for the purpose.

4. Procedure on the grant of interim orders:
   (a) If an interim order is granted at the first hearing by the Court, the defendants would have the option of moving appropriate applications for vacating the interim order even before the returnable date indicated in the notice and if such an application is filed, it shall be listed as soon as possible even before the returnable date.
(b) If the Court passes an ad-interim ex-parte order in an interlocutory application, and the reply by the defendants is filed, and if, thereafter, the plaintiff fails to file the rejoinder (if any) without good reason for the delay, the Court has to consider whether the stay or interim order passed by the Court should be vacated and shall list the case with that purpose. This is meant to prevent parties taking adjournment with a view to having undue benefit of the ad-interim orders. The plaintiff may, if he so chooses, also waive his right to file a rejoinder. A communication of option by the plaintiff not to file a rejoinder, made to the registry will be deemed to be the completion of pleadings in the interlocutory application.

5. Referral to Alternative Dispute Resolution:

(In the hearing before the Court, after completion of pleadings, time limit for discovery and inspection, and admission and denials, of documents shall be fixed, preferably restricted to 4 weeks each).

After the completion of admission and denial of documents by the parties, the suit shall be listed before the Court (for examination of parties under Order X of the Civil Procedure Code. A joint statement of admitted facts shall be filed before the said date.). The Court shall thereafter, follow the procedure prescribed under the Alternative Dispute Resolution and Mediation Rules, 2002.

6. Procedure on the failure of Alternative Dispute Resolution:

On the filing of report by the Mediator under the Mediation Rules that efforts at mediation have failed, or a report by the Conciliator under the provisions of the Arbitration and Conciliation Act, 1996, or a report of no settlement in the Lok Adalat under the provisions of the Legal Services Authority Act, 1987 the suit shall be listed before the registry within a period of 14 days. At the said hearing before the registry, all the parties shall submit the draft issues proposed by them. The suit shall be listed before the Court within 14 days thereafter for framing of issues.

When the suit is listed after failure of the attempts at conciliation, arbitration or Lok Adalat, the Judge may merely inquire whether it is still possible for the parties to resolve the dispute. This should invariably be done by the Judge at the first hearing when the matter comes back on failure of conciliation, mediation or Lok Adalat.

If the parties are not keen about settlement, the Court shall frame the issues and direct the plaintiff to start examining his witnesses. The procedure of each witness filing his examination-in-chief and being examined in cross or re-examination will continue, one after the other. After completion of evidence on the plaintiffs side, the defendants shall lead evidence likewise, witness after witness, the chief-examination of each witness being by affidavit and the witness being then cross-examined or re-examined. The parties shall keep the affidavit in chief-examination ready whenever the witness’s examination is taken up. As far as possible, evidence must be taken up day by day as stated in clause (a) of proviso to Rule 2 of Order XVII. The parties shall also indicate the likely duration for the evidence to be completed, and for the arguments to be thereafter heard. The Judge shall ascertain the availability of time of the Court and will list the matter for trial on a date when the trial can go on from day to day and conclude the evidence. The possibility of further negotiation and settlement should be kept open and if such a settlement takes place, it should be open to the parties to move the registry for getting the matter listed at an earlier date for disposal.

7. Referral to Commissioner for recording of evidence:

(a) The High Court shall conduct an examination on the subjects of the Code of Civil Procedure and Evidence Act. Only those advocates who have passed an examination conducted by the High Court on the subjects of ‘Code of Civil Procedure’ and Evidence Act, shall be appointed as Commissioners for recording evidence. They shall be ranked according to the marks secured by them.

(b) It is not necessary that in every case the Court should appoint a Commissioner for recording evidence. Only if the recording of evidence is likely to take a long time, or there are any other special grounds, should the Court consider appointing a Commissioner for recording the evidence. The Court should direct that the matter be listed for arguments fifteen days after the Commissioner files his report with the evidence.

The Court may initially fix a specific period for the completion of the recording of the evidence by the Commissioner and direct the matter to be listed on the date of expiry of the period, so that the Court may know whether the parties are co-operating with the Commissioner and whether the recording of evidence is getting unnecessarily prolonged.

(c) Commissioners should file an undertaking in Court upon their appointment that they will keep the records handed over to them and those that may be filed before them, safe and shall not allow any party to inspect them in the absence of the opposite party/counsel. If there is delay of more than one month in the dates fixed for recording evidence, it is advisable for them to return the file to the Court and take it back on the eve of the adjourned date.

8. Costs:

So far as awarding of costs at the time of judgement is concerned, awarding of costs must be treated generally as mandatory in as much as the liberal attitude of the Courts in directing the parties to bear their own costs had led parties to file a number of frivolous cases in the Courts or to raise frivolous and unnecessary issues. Costs should invariably follow the event. Where a party succeeds ultimately on one issue or point but loses on number of other issues or points, which were unnecessarily raised, costs must be appropriately apportioned. Special reasons must be assigned if costs are not being awarded. Costs should be assessed according to rules in force. If any of the parties has unreasonably protracted the proceedings, the Judge should consider exercising discretion to impose exemplary costs after taking into account the expense incurred for the purpose of attendance on the adjourned dates.

9. Proceedings for Perjury:

If the Trial Judge, while delivering the judgment, is of the view that any of the parties or witnesses has wilfully and deliberately uttered blatant falsehoods, he shall consider (at least in some grave cases) whether it is a fit case where prosecution should be initiated for perjury and order prosecution accordingly.
10. **Adjournments:**

The amendments to the code have restricted the number of adjournments to three in the course of hearing of the suit, on reasonable cause being shown. When a suit is listed before a Court and any party seeks adjournment, the Court shall have to verify whether the party is seeking adjournment due to circumstances beyond the control of the party, as required by clause (b) of proviso to Rule 2 of Order XVII. The Court shall impose costs as specified in Rule 2 of Order XVII.

11. **Miscellaneous Applications:**

The proceedings in a suit shall not be stayed merely because of the filing of Miscellaneous Application in the course of suit unless the Court in its discretion expressly thinks it necessary to stay the proceedings in the suit.

III First Appeals to Subordinate Courts:

1. **Service of Notice of Appeal:**

First Appeals being appeals on question of fact and law, Courts are generally inclined to admit the appeal and it is only in exceptional cases that the appeal is rejected at the admission stage under Rule 11 of Order XLI. In view of the amended CPC, a copy of the memorandum of appeal is required to be filed in the Subordinate Court. It has been clarified by the Supreme Court that the requirement of filing a copy of appeal memorandum in the Subordinate Court does not mean that appeal memorandum cannot be filed in the Appellate Court immediately for obtaining interim orders.

Advance notice should simultaneously be given by the counsel for the party who is proposing to file the appeal, to the counsel for the opposite party who appeared in the Subordinate Court so as to enable the respondents to appear if they so choose, even at the first hearing stage.

2. **Essential Documents to be filed with the Memorandum of Appeal:**

The appellant shall, as far as possible, file, along with the appeal, copies of essential documents marked in the suit, for the purpose of enabling the Appellate Court to understand the points raised or for purpose of passing interim order.

3. **Fixation of time limits in interlocutory matters:**

Whenever notice is issued by the Appellate Court in interlocutory matters, the notice should indicate the date by which the reply should be filed. The rejoinder, if any, should be filed within four weeks of receipt of the reply. If there are more parties than one who are Respondents, each one of the Respondent should comply with this requirement within the time limit and the rejoinder may be filed within four weeks from the receipt of the last reply.

4. **Steps for completion of all formalities/(Call Work) (Hajri):**

The appeal shall be listed before the registry for completion of all formalities necessary before the appeal is taken up for final hearing. The procedure indicated above of listing the case before a senior officer of the Appellate Court registry for giving dates in routine matters must be followed to reduce the ‘call work’ (Hajri) and only where judicial orders are necessary, such cases should be listed before the Court.

5. **Procedure on grant of interim-orders:**

If an interim order is granted at the first hearing by the Court, the Respondents would have the option of moving appropriate applications for vacating the interim order even before the returnable date indicated in the notice and if such an application is filed, it shall be listed as soon as possible even before the returnable date.

If the Court passes an ad-interim ex-parte order, and if the reply is filed by the Respondents and if, without good reason, the appellant fails to file the rejoinder, Court shall consider whether it is a fit case for vacating the stay or interim order and list the case for that purpose. This is intended to see that those who have obtained ad-interim orders do not procrastinate in filing replies. The appellant may also waive his right to file the rejoinder. Such choice shall be conveyed to the registry on or before the date fixed for filing of rejoinder. Such communication of option by the applicant to the registry will be deemed to be completion of pleadings.

6. **Filing of written submissions:**

Both the appellants and the respondents shall be required to submit their written submissions two weeks before the commencement of the arguments in the appeal. The cause list should indicate if written submissions have been filed or not. Wherever they have not been filed, the Court must insist on their being filed within a particular period to be fixed by the Court and each party must serve a copy thereof on the opposite side before the date of commencement of arguments. There is no question of parties filing replies to each other’s written submissions.

The Court may consider having a Caution List/Alternative List to take care of eventualities when a case does not go on before a court, and those cases may be listed before a court where, for any reason, the scheduled cases are not taken up for hearing.

7. **Costs:**

Awarding of costs must be treated generally as mandatory in as much as it is the liberal attitude of the Courts in not awarding costs that had led to frivolous points being raised in appeals or frivolous appeals being filed in the Courts. Costs should invariably follow the event and reasons must be assigned by the appellate Court for not awarding costs. If any of the parties have unreasonably protracted the proceedings, the Judge shall have the discretion to impose exemplary costs after taking into account the costs that may have been imposed at the time of adjournments.

IV. Application/Petition under Special Acts

This chapter deals with applications/petitions filed under Special Acts like the Industrial Disputes Act, Hindu Marriage Act, Indian Succession Act etc.
The practice direction in regard to original Suits should mutatis mutandis apply in respect of such applications/petitions.

V. Criminal Trials and Criminal Appeals to Subordinate Courts:

(a) Criminal Trials:

1. Criminal Trials should be classified based on offence, sentence, and whether the accused is on bail or in jail. Capital punishment, rape and cases involving sexual offences or dowry deaths should be kept in Track I. Other cases where the accused is not granted bail and is in jail should be kept in Track II. Cases which affect a large number of persons such as cases of mass cheating, economic offences, illicit liquor tragedy and food adulteration cases, etc. should be kept in Track III. Offences, which are tried by special courts such as POTA, TADA, NDPS, Prevention of Corruption Act., etc., should be kept in Track IV. All other offences should be kept in Track V.

The endeavour should be to complete Track I cases within a period of nine months, Track II and Track III cases within twelve months and Track IV within fifteen months.

2. The High Court may classify criminal appeals pending before it into different tracks on the same lines mentioned above.

(b) Criminal Appeals:

3. Wherever an appeal is filed by a person in jail, and also when appeals are filed by the State, as far as possible, the memorandum of appeal may be accompanied by important documents, if any, having a bearing on the question of bail.

4. In respect of appeals filed against acquittals, steps for appointment of amicus curiae or State Legal aid counsel in respect of the accused who do not have a lawyer of their own should be undertaken by the registry/State Legal Services Authority immediately after completion of four weeks of service of notice. It shall be presumed that in such an event the accused is not in a position to appoint counsel.

5. Advance notice should simultaneously be given by the counsel for the party who is proposing to file the appeal, to the counsel for the opposite party in the subordinate court, so as to enable the other party to appear if it so chooses even at the first hearing stage.

VI. Notice issued under S. 80 of Code of Civil Procedure:

Every public authority shall appoint an officer responsible to take appropriate action on a notice issued under S 80 of the Code of Civil Procedure. Every such officer shall take appropriate action on receipt of such notice. If the Court finds that the concerned officer, on receipt of the notice, failed to take necessary action or was negligent in taking the necessary steps, the Court shall hold such officer responsible and recommend appropriate disciplinary action by the concerned authority.

VII. Note:

Whenever there is any inconsistency between these rules and the provisions of either the Code of Civil Procedure, 1908 or the Code of Criminal Procedure 1973 or the High Courts Act or any other Statute, the provisions of such Codes and Statute, the provisions of such Codes and Statute shall prevail.

By Order,

C.R. Sarma,

REGISTRAR GENERAL.

THE GAUHATI HIGH COURT AT GUWAHATI
(THE HIGH COURT OF ASSAM, NAGALAND, MEGHALAYA, MANIPUR, TRIPURA, MIZORAM AND ARUNACHAL PRADESH)

NOTIFICATION

The 19th November, 2008

Gauhati High Court Case Management Rules, 2007

No.HC.XI-01/2008/ 1053 /RC # # — In exercise of the powers conferred by Article 225 of the Constitution of India, and Part X of the Code of Civil Procedure, 1908 (5 of 1908) and Article 6 of the Assam High Court Order, 1948 and all other powers enabling it, the Gauhati High Court hereby makes the following Rules:

Gauhati High Court Case Management Rules, 2007

I. Division of cases into different tracks:

1. Writ Petitions: The High Court shall, at the stage of admission or issuing notice before admission categorize the Writ Petitions other than Writ of Habeas Corpus, into three categories depending on the urgency with which the matter should be dealt with: the Fast Track, the Normal Track and the Slow Track. The petitions in the Fast Track shall invariably be disposed of within a period not exceeding six months while the petitions in the Normal Track should not take longer than a year. The petitions in the Slow Track, subject to the pendency of other cases in the Court, should ordinarily be disposed of within a period of two years.

Where an interim order of stay or injunction is granted in respect of liability to tax or demolition or eviction from public premises etc. such a matter shall be put on the Fast Track. Similarly, all matters involving tenders would also be put on the Fast Track. These matters cannot brook delays in disposal.

2. Senior officers of the High Court, nominated for the purpose, shall at intervals of every month, monitor the stage of each case likely to come up for hearing before each Bench (Division Bench or Single Judge) during that month which have been allocated to the different tracks. The details shall be placed before the Chief Justice or Committee nominated for that purpose as well as the concerned Judge dealing with the cases.
3. The Judge or Judges referred to in clause (2) above may shift the case from one track to another, depending upon the complexity (urgency) and other circumstances of the case.

4. Where computerization is available, data will be fed into the computer in such a manner that the court or judge or judges, referred to in clause (2) above will be able to ascertain the position and stage of every case in every track from the computer screen.

5. Whenever the roster changes, the judge concerned who is dealing with final matters shall keep himself informed about the stage of the cases in various tracks listed before him during every week, with a view to seeing that the cases are taken up early.

6. Other matters: The High Court shall also divide civil appeals and other matters in the High Court into different tracks on the lines indicated in sub-clauses (2) to (5) above and the said clauses shall apply, mutatis mutandis, to the civil appeals filed in the High Court. The High Court shall make a subject wise division of the appeals/revision application for allocation into different tracks. (Division of criminal petitions and appeals into different tracks is dealt with separately under the heading ‘criminal petitions and appeals’).

II. Writ of Habeas Corpus:

Notices in respect of Writ of Habeas Corpus where the person is in custody under orders of a State Government or Central Government shall invariably be issued by the Court at the first listing and shall be made returnable within 48 hours. State Government or Central Government may file a brief return enclosing the relevant documents to justify the detention. The matter shall be listed after notice on the fourth working day after issuance of notice, and the Court shall consider whether a more detailed return to the writ is necessary, and, if so required, shall give further time of a week and three days’ time for filing a rejoinder. A Writ of Habeas Corpus shall invariably be disposed of within a period of fifteen days. It shall have preference over and above Fast Track cases.

III. Mode of Advance Service:

The Court rules will provide for mode of service of notice on the standing counsel for respondents wherever available, against whom, interim orders are sought. Such advance service shall generally relate to Governments or public sector undertakings that have standing counsel.

FIRST APPEALS TO HIGH COURT

1. Service of Notice of Appeal:

First appeals being appeals on questions of fact and law, Courts are generally inclined to admit the appeal and it is only in exceptional cases that the appeal is rejected under Order XLI Rule 11 at the admission stage. In view of the amended CPC, a copy of the appeal is required to be filed in the Trial Court. It has been clarified by the Supreme Court that the requirement of filing of appeal in the Trial Court does not mean that the party cannot file an appeal in the Appellate Court (High Court) immediately for obtaining interim orders.

In addition to the process for normal service as per the Code of Civil Procedure, advance notice should simultaneously be given by the counsel for the party who is proposing to file the appeal, to the counsel for the opposite party in the Trial Court itself so as to enable them to inform the parties to appear if they so choose even at the first hearing stage.

2. Filing of Documents:

The Appellant shall, on the appeal being admitted, file all the essential papers within such period as may be fixed by the High Court for the purpose of enabling the High Court to understand the scope of the dispute and for the purpose of passing interlocutory orders.

3. Printing or typing of Paper Book:

Printing and preparation of paper-books by the High Court should be done away with. After service of notice is effected, counsel for both sides should agree on the list of documents and evidence to be printed or typed and the same shall be made ready by the parties within the time to be fixed by the Court. Thereafter the paper book shall be got ready. It must be assured that the paper books are ready at least six months in advance before the appeal is taken up for arguments. (Cause lists must specify if paper books have been filed or not).

4. Filing of Written Submissions and time for oral arguments:

Both the appellants and the respondents shall be required to submit their written submissions with all the relevant pages as per the Court paper-book marked therein within a month of preparation of such paper-books, referred to in para 3 above.

Cause list may indicate if written submissions have been filed. If not, the court must direct that they be filed immediately.

After the written submissions are filed, (with due service of copy to the other side) the matter should be listed before the Registrar / Master for the parties to indicate the time that will be taken for arguments in the appeal. Alternatively, such matters may be listed before a judge in chamber for deciding the time duration and thereafter to fix a date of hearing on a clear date when the requisite extent of time will be available.

In the event that the matter is likely to take a day or more, the High Court may consider having a Caution List/Alternative List to meet eventualities where a case gets adjourned due to unavoidable reasons or does not go on before a Court, and those cases may be listed before a Court where, for one reason or another, the scheduled cases are not taken up for hearing.

5. Court may explore possibility of settlement:

At the first hearing of a First Appeal when both parties appear, the Court shall find out if there is a possibility of a settlement. If the parties are agreeable even at that stage for mediation or conciliation, the High Court could make a reference to mediation or conciliation for the said purpose.

If necessary, the process contemplated by Section 89 of CPC may be resorted to by the Appellate Court so, however, that the hearing of the appeal is not unnecessarily delayed. Whichever is the ADR process adopted, the Court should fix a date for a report on the ADR two months from the date of reference.

V. Appeals to Division Bench from judgement of Single Judge of High Court [Letter Patent Appeals (LPA) or similar appeals under High Court Acts]:

- The Arunachal Pradesh Gazette, May 29, 2009 [Part - IV]
An appeal to a Division Bench from judgment of a Single Judge may lie in the following cases:

1. Appeals from interlocutory orders of the Single Judge in original jurisdiction matters including writs; 2. appeals from final judgments of a Single judge in original jurisdiction; 3. other appeals permitted by any law to a Division Bench.

Appeals against interlocutory orders falling under category (1) above should be invariably filed after advance notice to the opposite counsel (who has appeared before the Single Judge) so that both the sides are represented at the very first hearing of the appeals. If both parties appear at the first hearing, there is no need to serve the opposite side by normal process and at least in some cases, the appeals against interlocutory orders can be disposed of even at the first hearing. If, for any reason, this is not practicable, such appeals against interim orders should be disposed of within a period of a month.

In cases referred to above, necessary documents should be kept ready by the counsel to enable the Court to dispose of the appeal against interlocutory matter at the first hearing itself.

In all appeals against interim orders in the High Court, in writs and Civil matters, the Court should endeavour to set down and observe a strict time limit in regard to oral arguments. In case of Original Side appeals/LPAs arising out of final orders in a Writ Petition or arising out of Civil suits filed in the High Court, a flexible time schedule may be followed.

The practice direction in regard to First Appeal should mutatis mutandis apply in respect of LPAs/Original Side appeals against final judgments of the Single Judge.

Writ Appeals/Letters Patent Appeals arising from orders of the Single Judge in a Writ Petition should be filed with simultaneous service on the counsel for the opposite party who had appeared before the Single Judge or service on the opposite party.

Writ Appeals against interim orders of the Single Judge should invariably be disposed of early and, at any rate, within a period of thirty days from the first hearing. Before Writ Appeals against final orders in Writ Petitions are heard, brief written submissions must be filed by both parties within such time as may be fixed by the Court.

VI. Second Appeals:

Even at the stage of admission, the questions of law with a brief synopsis and written submissions on each of the propositions should be filed so as to enable the Court to consider whether there is a substantial question of law. Wherever the Court is inclined to entertain the appeal, apart from normal procedure for service as per rules, advance notice shall be given to the counsel who had appeared in the first appeal letter Court. The notice should require the respondents to file their written submissions within a period of eight weeks from service of notice. Efforts should be made to complete the hearing of the Second Appeals within a period of six months.

VII. Civil Revision:

A revision petition may be filed under Section 115 of the Code or under any special statute. In some High Courts, petitions under Article 227 of the Constitution of India are registered as civil revision petitions. The practice direction in regard to LPAs and First Appeals to the High Courts, should mutatis mutandis apply in respect of revision petitions.

VIII. Criminal Appeals:

Criminal Appeals should be classified based on offence, sentence and whether the accused is on bail or in jail. Capital punishment cases, rape, sexual offences, dowry death cases should be kept in Track I. Other cases where the accused is not granted bail and is in jail should be kept in Track II. Cases, which affect a large number of persons such as cases of mass cheating, economic offences, illicit liquor tragedy, food adulteration cases, offences of sensitive nature should be kept in Track III. Offences, which are tried by special courts such as POTA, TADA, NPDPS, Prevention of Corruption Act, etc., should be kept in Track IV. All other offences should be kept in Track V.

The endeavour should be to complete Track I cases within a period of six months, Track II cases within nine months, Track III within a year, Track IV and Track V within fifteen months.

Wherever an appeal is filed by a person in jail, and also when appeals are filed by the State, the complete paper-books including the evidence, should be filed by the State within such period as may be fixed by Court.

In appeals against acquittals, steps for appointment of amicus curiae or State Legal Aid Counsel in respect of the accused who do not have a lawyer of their own should be undertaken by the Registry / State Legal Services Authority immediately after completion of four weeks of service of notice. It shall be presumed that in such an event the accused is not in a position to appoint counsel, and within two weeks thereafter a counsel shall be appointed and shall be furnished all the papers.

IX. Note:

Wherever there is any inconsistency between these rules and the provisions of either the Code of Civil Procedure, 1908 or the Code of Criminal Procedure, 1973 or the High Court Act, or any other statute, the provisions of such Codes and statute shall prevail.

By Order,

OFFICE MEMORANDUM
The 29th May, 2009

No. AR-03/2009.— The Hon'ble Gauhati High Court in WP No. 377 (AP) of 2008 while quashing the notification vide which the post of Law Officer was to filled through walk-in-interview, had passed the following orders.

"The authorities cannot be permitted to depart from the statutory rules wherein it is specifically provided that the post of Law Officer-cum-Junior Draftsman is to be filled up in the specified mode as indicated above and no other different mode is allowed to (be) permitted for recruitment to the post whether it is temporary or permanent. Considering the nature of duties imposed on the post, the rule making authority has prescribed the provision for testing the respective candidates in different branches of law by holding written competitive examination. There can be no substitute by walk-in-interview as proposed to be held. This has also been highlighted by the Apex Court in (2007) 13 SCC 300."

The relevant portion of Apex Court order in (2007) 13 SCC 300 is reproduced below :

"when a 'qualifying examination' is provided, it presupposes that the questions will be identical and all candidates shall have identical opportunity to answer the same questions and pass such examination to secure eligibility. This can only be by means of a written examination and not an 'interview'. Therefore, in the absence of any specific provision prescribing interview as the means of ascertaining of fitness for promotion, 'interview' cannot generally be considered to be a qualifying examination nor can it take the place of a qualifying examination. 'Qualifying examination' in the circumstances would necessarily refer to a written examination. We therefore uphold the decision of the High Court (though for different reasons) that the office order dated 11th February 2003 is contrary to the Rules and interview cannot be the method of ascertaining fitness."

The above is brought to the notice of all departments for information and necessary action.

Subject: Child Care Leave in respect of Central Government employees as a result of Sixth Central Pay Commission - clarification regarding

No. 13018/2/2008-ESTT.(L). — The order regarding introduction of Child Care Leave (CCL) in respect of Central Government employees were issued vide this Department’s O.M. of even number dated 11th September, 2008. Subsequently, clarification in this regard were also issued vide O.M. dated 29th September, 2008.

2. Consequent upon the implementation of orders relating to Child Care Leave, references has been received from various sections regarding the procedure for grant of this leave etc. In this connection, it is mentioned that the intention of the Pay Commission in recommending Child Care Leave for women employees was to facilitated women employees to take care of their children at the time of need. However, this does not mean that CCL should disrupt the functioning of Central Government offices. The nature of this leave was envisaged to be the same as that of earned leave. Accordingly, while maintaining the spirit of Pay Commission’s recommendations intact and also harmonizing the smooth functioning of the offices, the following clarifications are issue in consultation with the Department of Expenditure (Implementation Cell) with regard to Child Care Leave for Central Government employees:

(i) CCL cannot be demanded as a matter of right. Under no circumstances can any employee proceed on CCL without prior proper approval of the leave by the leave sanctioning authority.

(ii) The leave is to be treated like the Earned Leave and sanctioned as such.

(iii) Consequently, Saturdays, Sundays, Gazetted holidays etc, falling during the period of leave would also count for CCL, as in the case of Earned Leave.

(iv) CCL can be availed only if the employee concerned has no Earned Leave at her credit.

3. Hindi version will follow.

(Para No. 4.2.43)

4. House Rent Allowance

(i) The Commission has recommended merger of C Class Cities (having population of 50,000 to 5 lakhs) with ‘Unclassified Towns’ (having population of less than 50,000). Accepted

(ii) The Commission has recommended that the existing population criterion for classifying towns and cities for purposes of HRA may be retained. However, population in the urban agglomeration should be taken into account for classifying a city for purposes of HRA. Accepted
(iii) The Commission has recommended retention of the existing rate of HRA in A-1 cities to be paid at the rate of 30% of the total of revised pay in the running pay band and grade pay thereon.

(iv) The Commission has recommended that the erstwhile A, B-1 and B-2 categories may be merged and C & Unclassified categories may also be merged. The following rates of House Rent Allowance are accordingly recommended:

5. Children Education Allowance

Children Education Allowance and Reimbursement of Tuition Fee may be merged and it will henceforth be reimbursement up to the maximum of Rs. 1000 per child per month subject to a maximum of 2 children. Hostel subsidy may be reimbursed up to the maximum limit of Rs. 3000 per month per child. The limits would be automatically raised by 25% every time the Dearness Allowance on the revised pay bands goes up by 50%. (Para No. 4.2.64).

6. Risk Allowance

(i) The Commission accordingly, recommends withdrawal of Risk Allowance. All categories of jobs that involve inherent element of risk with deleterious effect on health over a period of time should instead be provided with free medical and life insurance of Rs. 5 lakhs for employees in PB-1 pay band; Rs. 7 lakhs for employees in PB-2 Pay band; Rs. 10 lakhs for employees in PB-3 pay bands/higher pay band/scales. To offset the effect of inflation, amount of the insurance should automatically be increased by 50% every time the DA payable on the revised pay goes up by 50%. The entire expenditure on paying premium for this insurance will be borne by the Government. The amount insured will be paid in case of any serious injury/death sustained in the course of employment and will be over and above the other benefits available to all categories of Government employees. These employees should also be provided with additional health benefits with mandatory health check-ups every quarter and enhanced leave, wherever the same is necessary for proper recuperation. Further, the Government should ensure that latest technology and greatest level of care is observed in these jobs so that the element of risk involved therein is minimized. (Para No. 4.2.68)

(ii) Hospital Patient Care Allowance/Patient Care Allowance

The Commission has separately recommended extension of adequate insurance cover to all such categories of employees who face an element of risk in discharge of their official functions. This insurance cover should be extended to all the categories that are presently in receipt of HPCA/PCA. Simultaneously, HPCA/PCA should be withdrawn as no rationale would exist for these allowances once the element of risk is covered by grant of an appropriate insurance cover. The loss incurred by the employees on this account would be more than compensated in respect of existing Group D employees who will be upgraded to Group C. This loss, for Group C employees, should be compensated in form of Performance Related Incentive Scheme. (Para No. 3.6.18).

1. Short title and commencement :
   (1) These rules may be called the Central Civil Services (Revised Pay) Rules, 2008.
   (2) They shall be deemed to have come into force on the 1st day of January, 2006.

2. Categories of Government servants to whom the rules apply :
   (1) Save as otherwise provided by or under these rules, these rules shall apply to persons appointed to civil services and posts in connection with the affairs of the Union whose pay is debitable to the Civil Estimates as also to persons serving in the Indian Audit and Accounts Department.
   (2) These rules shall not apply to :
      (i) persons appointed to the Central Civil Services and posts in Groups ‘A’, ‘B’, ‘C’ and ‘D’ under the administrative control of the Administrator of the Union Territory of Chandigarh;
      (ii) persons locally recruited for service in Diplomatic, Consular or other Indian establishments in foreign countries;
      (iii) persons not in whole-time employment;
      (iv) persons paid out of contingencies;
      (v) persons paid otherwise than on a monthly basis including those paid only on a piece-rate basis;
      (vi) persons employed on contract except where the contract provides otherwise;
      (vii) persons re-employed in Government service after retirement;
      (viii) any other class or category of persons whom the President may, by order, specifically exclude from the operation of all or any of the provisions contained in these rules.

3. Definitions : In these rules, unless the context otherwise requires -
   (1) “existing basic pay” means pay drawn in the prescribed existing scale of pay, including stagnation increment(s), but does not include any other type of pay like ‘special pay’, etc.
   (2) “existing scale” in relation to a Government servant means the present scale applicable to the post held by the Government servant (or, as the case may be, personal scale applicable to him) as on the 1st day of January, 2006 whether in a substantive or officiating capacity.

Explanation — In the case of a Government servant, who was on the 1st day of January, 2006 on deputation out of India or on leave or on foreign service, or who would have on that date officiated in one or more lower posts but for his officiating in a higher post, “existing scale” includes the scale applicable to the post which he would have held but for his being on deputation out of India or on leave or on foreign service or, as the case may be, but for his officiating in a higher post;
“existing emoluments” mean the sum of (i) existing basic pay, (ii) dearness pay appropriate to the basic pay and (iii) dearness allowance appropriate to the basic pay + dearness pay at index average 536 (1982=100).

“present scale” in relation to any post/grade specified in column 2 of the First Schedule means the scale of pay specified against that post in column 3 thereof :

“pay in the pay band” means pay drawn in the running pay bands specified in column 5 of the First Schedule.

“grade pay” is the fixed amount corresponding to the pre-revised pay scales/posts.

“revised pay structure” in relation to any post specified in column 2 of the First Schedule means the pay band and grade pay specified against that post or the pay scale specified in columns 5 & 6 thereof, unless a different revised pay band and grade pay or pay scale is notified separately for that post.

“basic pay” in the revised pay structure means the pay drawn in the prescribed pay band plus the applicable grade pay but does not include any other type of pay like special pay, etc.

“revised emoluments” means the pay in the pay band plus the grade pay of a Government servant in the revised pay structure or the basic pay in HAG+ & above and includes the revised non-practising allowance, if any, admissible to him, in addition.

“Schedule” means a schedule annexed to these rules.

4. Scale of pay of posts: The pay band and grade pay or the pay scale, as applicable, of every post/grade specified in column 2 of the First Schedule shall be as specified against it in columns 5 & 6 thereof.

5. Drawal of pay in the revised pay structure - Save as otherwise provided in these rules, a Government servant shall draw pay in the revised pay structure applicable to the post to which he is appointed:

Provided that a Government servant may elect to continue to draw pay in the existing scale until the date on which he earns his next or any subsequent increment in the existing scale or until he vacates his post or ceases to draw pay in that scale:

Provided further that in cases where a Government servant has been placed in a higher pay scale between 1.1.2006 and the date of notification of these rules on account of promotion, upgradation of pay scale etc., the Government servant may elect to switch over to the revised pay structure from the date of such promotion, upgradation, etc.

Explanation 1 - The option to retain the existing scale under the provisos to this rule shall be admissible only in respect of one existing scale.

Explanation 2 - The aforesaid option shall not be admissible to any person appointed to a post on or after the 1st day of January, 2006, whether for the first time in Government service or by transfer from another post and he shall be allowed pay only in the revised pay structure.

Explanation 3 - Where a Government servant exercises the option under the provisos to this rule to retain the existing scale in respect of a post held by him in an officiating capacity on a regular basis for the purpose of regulation of pay in that scale under Fundamental Rule 22, or any other rule or order applicable to that post, his substantive pay shall be substantive pay which he would have drawn had he retained the existing scale in respect of the permanent post on which he holds a lien or would have held a lien had his lien not been suspended or the pay of the officiating post which has acquired the character of substantive pay in accordance with any order for the time being in force, whichever is higher.

6. Exercise of Option -

(1) The option under the provisos to Rule 5 shall be exercised in writing in the form appended to the Second Schedule so as to reach the authority mentioned in sub rule (2) within three months of the date of publication of these rules or where an existing scale has been revised by any order made subsequent to that date, within three months of the date of such order.

Provided that —

(i) in the case of a Government servant who is, on the date of such publication or, as the case may be, date of such order, out of India on leave or deputation or foreign service or active service, the said option shall be exercised in writing so as to reach the said authority within three months of the date of his taking charge of his post in India; and

(ii) where a Government servant is under suspension on the 1st day of January, 2006, the option may be exercised within three months of the date of his return to his duty if that date is later than the date prescribed in this sub-rule.
The option shall be intimated by the Government servant to the Head of his Office.

If the intimation regarding option is not received within the time mentioned in sub-rule (1), the Government servant shall be deemed to have elected to be governed by the revised pay structure with effect on and from the 1st day of January, 2006.

The option once exercised shall be final.

Note 1: Persons whose services were terminated on or after the 1st January, 2006 and who could not exercise the option within the prescribed time limit, on account of discharge on the expiry of the sanctioned posts, resignation, dismissal or discharge or disciplinary grounds, are entitled to the benefits of this rule.

Note 2: Persons who have died on or after the 1st day of January, 2006 and could not exercise the option within the prescribed time limit are deemed to have opted for the revised pay structure on and from the 1st day of January, 2006 or such later date as is most beneficial to their dependents, if the revised pay structure is more favourable and in such cases, necessary action for payment of arrears should be taken by the Head of Office.

Note 3: Persons who were on earned leave or any other leave on 1.1.2006 which entitled them to leave salary will be allowed the benefits of this rule.

7. **Fixation of initial pay in the revised pay structure**:

(1) The initial pay of a Government servant who elects, or is deemed to have elected under sub-rule (3) of rule 6 to be governed by the revised pay structure on and from the 1st day of January, 2006, shall, unless in any case the President by special order otherwise directs, be fixed separately in respect of his substantive pay in the permanent post on which he holds a lien or would have held a lien if it had not been suspended, and in respect of his pay in the officiating post held by him, in the following manner, namely :-

(A) in the case of all employees :

(i) the pay in the pay band/pay scale will be determined by multiplying the existing basic pay as on 1.1.2006 by a factor of 1.86 and rounding off the resultant figure to the next multiple of 10.

(ii) if the minimum of the revised pay band/pay scale is more than the amount arrived at as per (i) above, the pay shall be fixed at the minimum of the revised pay band/pay scale :

Provided further that :

Where, in the fixation of pay, the pay of Government servants drawing pay at two or more consecutive stages in an existing scale gets bunched, that is to say, gets fixed in the revised pay structure at the same stage in the pay band, then, for every two stages so bunched, benefit of one increment shall be given so as to avoid bunching of more than two stages in the revised running pay bands. For this purpose, the increment will be calculated on the pay in the pay band. Grade pay would not be taken into account for the purpose of granting increments to alleviate bunching.

In the case of pay scales in higher administrative grade (HAG) in the pay band PB-4, benefit of increments due to bunching shall be given taking into account all the stages in different pay scales in this grade. In the case of HAG+ scale, benefit of one increment for every two stages in the pre-revised scale will be granted in the revised pay scale.

If by stepping up of the pay as above, the pay of a Government servant gets fixed at a stage in the revised pay band/pay scale (where applicable) which is higher than the stage in the revised pay band at which the pay of a Government servant who was drawing pay at the next higher stage or stages in the same existing scale is fixed, the pay of the latter shall also be stepped up only to the extent by which it falls short of that of the former.

(iii) The pay in the pay band will be determined in the above manner. In addition to the pay in the pay band, grade pay corresponding to the existing scale will be payable.

Note - Illustration 1 on the above is provided in the Explanatory Memorandum to these Rules.

(B) In the case of employees who are in receipt of special pay/allowance in addition to pay in the existing scale which has been recommended for replacement by a pay band and grade pay without any special pay/allowance, pay shall be fixed in the revised pay structure in accordance with the provisions of clause (A) above.

(C) In the case of employees who are in receipt of special pay component with any other nomenclature in addition to pay in the existing scales, such as personal pay for promoting small family norms, special pay to Parliament Assistants, Central (Deputation on Tenure) Allowance, etc., and in whose case the same has been replaced in the revised pay structure with corresponding allowance/pay at the same rate or at a different rate, the pay in the revised pay structure shall be fixed in accordance with the provisions of clause (A) above. In such cases, the allowance at the new rate as recommended shall be drawn in addition to pay in the revised pay structure from the date specified in the
individual notifications related to these allowances.

(D) In the case of medical officers who are in receipt of non-practising allowance, the pay in the revised pay structure shall be fixed in accordance with the provisions of clause (A) above except that, in such cases, the pre-revised dearness allowance appropriate to the non-practising allowance admissible at index average 536 (1982 = 100) shall be added while fixing the pay in the revised pay band, and in such cases, non-practising allowance at the new rates shall be drawn with effect from 1.1.2006 or the date of option for revised pay structure, in addition to the pay so fixed in the revised pay structure. Illustration 2 in this regard is at in the Explanatory Memorandum to these Rules.

Note 1 - (a) In the case of Group D employees, the pay in the revised pay structure will be fixed initially in the -1S pay band as per Clause (A) above with the appropriate grade pay and arrears paid accordingly. Thereafter, pay of such of those Group D employees who already possess the revised minimum qualifications recommended by the Commission prescribed for entry into PB-1 would be fixed with effect from 1.1.2006 in PB-1 with grade pay of Rs.1800.

(b) Such of those existing Group D employees who do not possess the revised minimum qualifications for entry into PB-I would be retrained by the concerned Department preferably within a period of six months so that payment of arrears on account of upgradation are not delayed. After retraining, these Group D staff will also be placed in the Pay Band PB-1 with the grade pay of Rs.1800 with effect from 1.1.2006 and arrears drawn accordingly. Once placed in the PB-1 Pay Band, this category of Group D staff will regain their seniority vis-a-vis the other category of Group D staff that already possessed the minimum qualifications and were, therefore, placed in the PB-1 Pay Band as on 1.1.2006. Inter-se seniority of all the employees in erstwhile Group D will be fully maintained with Group D employee in a higher pre-revised pay scale being placed higher vis-a-vis an employee in a lower pay scale. Within the same pre-revised pay scale, seniority which existed prior to revision would continue.

(c) Arrears shall be payable with effect from 1.1.2006 in both the cases i.e. to those Group D employees who possess the qualifications and are placed in PB-I straight away and those Group D employees who do not possess the qualifications and are placed after re-training. Illustration 3 in regard to fixation of pay for Group D staff is in the Explanatory Memorandum to these Rules.

Note 2A - Where a post has been upgraded as a result of the recommendations of the Sixth CPC as indicated in Part B or Part C of the First Schedule to these Rules, the fixation of pay in the applicable pay band will be done in the manner prescribed in accordance with Clause (A) (i) and (ii) of Rule 7 by multiplying the existing basic pay as on 1.1.2006 by a factor of 1.86 and rounding the resultant figure to the next multiple of ten. The grade pay corresponding to the upgraded scale as indicated in Column 6 of Part B or C will be payable in addition. Illustration 4A in this regard is in the Explanatory Memorandum to these Rules.

Note 2B - In the case of merger of pay scales, pay in the revised pay bands will be fixed in the manner prescribed in accordance with Clause (A) (i) and (ii) of Rule 7 by multiplying the existing basic pay as on 1.1.2006 by a factor of 1.86 and rounding the resultant figure to the next multiple of ten. The grade pay corresponding to the merged scale as indicated in Column 6 of Part B or C will be payable in addition. Illustration 4B in this regard is in the Explanatory Memorandum to these Rules.

Note 3 - A Government servant who is on leave on the 1st day of January, 2006 and is entitled to leave salary shall become entitled to pay in the revised pay structure from 1.1.2006 or the date of option for the revised pay structure. Similarly, where a government servant is on study leave on the first day of January, 2006 he will be entitled to the benefits under these Rules from 1.1.2006 or the date of option.

Note 4 - A Government servant under suspension, shall continue to draw subsistence allowance based on existing scale of pay and his pay in the revised pay structure will be subject to the final order on the pending disciplinary proceedings.

Note 5 - Where a Government servant is holding a permanent post and is officiating in a higher post on a regular basis and the scales applicable to these two posts are merged into one scale, the pay shall be fixed under this sub-rule with reference to the officiating post only, and the pay so fixed shall be treated as substantive pay.

The provisions of this Note shall apply mutatis mutandis, to Government servants holding in an officiating capacity, posts on different existing scales which have been replaced by the revised pay structure.

Note 6 - Where the ‘existing emoluments’ exceed the revised emoluments in the case of any Government servant, the difference shall be allowed as personal pay to be absorbed in future increases in pay.

Note 7 - Where in the fixation of pay under sub-rule (1), the pay of a Government servant, who, in the day of January, 2006 more pay than another Government servant junior to him in the same cadre, gets fixed in the revised pay band at a stage lower than that of such junior, his pay shall be stepped up to the same stage in the revised pay band at that of the junior.
Note 8 - Where a Government servant is in receipt of personal pay on the 1st day of January, 2006, which together with his existing emoluments exceeds the revised emoluments, then, the difference representing such excess shall be allowed to such Government servant as personal pay to be absorbed in future increases in pay.

Note 9 - In the case of employees who are in receipt of personal pay for passing Hindi Pragya, Hindi Typewriting, Hindi Shorthand and such other examinations under the “Hindi Teaching Scheme”, or on successfully undergoing training in cash and accounts matters prior to the 1st day of January, 2006, while the personal pay shall not be taken into account for purposes of fixation of initial pay in the revised pay structure, they would continue to draw personal pay after fixation of their pay in the revised pay structure on and from the 1st day of January, 2006 or subsequently for the period for which they would have drawn it but for the fixation of their pay in the revised pay structure. The quantum of such personal pay would be paid at the appropriate rate of increment in the revised pay structure from the date of fixation of pay for the period for which the employee would have continued to draw it.

Explanation - For the purpose of this Note, “appropriate rate of increment in the revised pay structure” means 3% of the sum of the pay in the pay band and the grade pay at the stage at which the pay of the employee is fixed in the revised pay structure.

Note 10 - In cases where a senior Government servant promoted to a higher post before the 1st day of January, 2006 draws less pay in the revised pay structure than his junior who is promoted to the higher post on or after the 1st day of January, 2006, the pay in the pay band of the senior Government servant should be stepped up to an amount equal to the pay in the pay band as fixed for his junior in that higher post. The stepping up should be done with effect from the date of promotion of the junior Government servant subject to the fulfillment of the following conditions, namely :

(a) both the junior and the senior Government servants should belong to the same cadre and the posts in which they have been promoted should be identical in the same cadre.

(b) the pre-revised scale of pay and the revised grade pay of the lower and higher posts in which they are entitled to draw pay should be identical.

(c) the senior Government servants at the time of promotion should have been drawing equal or more pay than the junior.

(d) the anomaly should be directly as a result of the application of the provisions of Fundamental Rule 22 or any other rule or order regulating pay fixation on such promotion in the revised pay structure. If even in the lower post, the junior officer was drawing more pay in the pre-revised scale than the senior by virtue of any advance increments granted to him, provision of this Note need not be invoked to step up the pay of the senior officer.

(2) Subject to the provisions of rule 5, if the pay as fixed in the officiating post under sub-rule (1) is lower than the pay fixed in the substantive post, the former shall be fixed at the same stage as the substantive pay.

8. Fixation of pay in the revised pay structure of employees appointed as fresh recruits on or after 1.1.2006 - Section II of Part A of the First Schedule of these Rules indicates the entry level pay in the pay band at which the pay of direct recruits to a particular post carrying a specific grade pay will be fixed on or after 1.1.2006.

This will also be applied in the case of those recruited between 1.1.2006 and the date of issue of this Notification. In such cases, where the emoluments in the pre-revised pay scale(s) [i.e., basic pay in the pre-revised pay scale(s) plus Dearness Pay plus Dearness Allowance applicable on the date of joining] exceed the sum of the pay fixed in the revised pay structure and the applicable dearness allowance thereon, the difference shall be allowed as personal pay to be absorbed in future increments in pay.

9. Rate of increment in the revised pay structure - The rate of increment in the revised pay structure will be 3% of the sum of the pay in the pay band and grade pay applicable, which will be rounded off to the next multiple of 10. The amount of increment will be added to the existing pay in the pay band.

Illustration 5 in this regard is in the Explanatory Memorandum to these Rules. In the case of PB-3, variable rates of increment at 3% and 4% have been provided. The higher rate of increment will be granted to not more than 20% of the strength of officers in PB-3.

10. Date of next increment in the revised pay structure - There will be a uniform date of annual increment, viz. 1st July of every year. Employees completing 6 months and above in the revised pay structure as on 1st of July will be eligible to be granted the increment. The first increment after fixation of pay on 1.1.2006 in the revised pay structure will be granted on 1.7.2006 for those employees for whom the date of next increment was between 1st July, 2006 to 1st January, 2007:
Provided that in the case of persons who had been drawing maximum of the existing scale for more than a year as on the 1st day of January, 2006, the next increment in the revised pay structure shall be allowed on the 1st day of January, 2006. Thereafter, the provision of Rule 10 would apply:

Provided that in cases where an employee reaches the maximum of his pay band, shall be placed in the next higher pay band after one year of reaching such a maximum. At the time of placement in the higher pay band, benefit of one increment will be provided. Thereafter, he will continue to move in the higher pay band till his pay in the pay band reaches the maximum of PB-4, after which no further increments will be granted.

Note 1 - In cases where two existing scales, one being a promotional scale for the other, are merged, and the junior Government servant, now drawing his pay at equal or lower stage in the lower scale of pay, happens to draw more pay in the pay band in the revised pay structure than the pay of the senior Government servant in the existing higher scale, the pay in the pay band of the senior government servant shall be stepped up to that of his junior from the same date and he shall draw next increment in accordance with Rule 10.

11. Fixation of pay in the revised pay structure subsequent to the 1st day of January, 2006 - Where a Government servant continues to draw his pay in the existing scale and is brought over to the revised pay structure from a date later than the 1st day of January, 2006, his pay from the later date in the revised pay structure shall be fixed in the following manner:

(i) Pay in the pay band will be fixed by adding the basic pay applicable on the later date, the dearness pay applicable on that date and the pre-revised dearness allowance based on rates applicable as on 1.1.2006. This figure will be rounded off to the next multiple of 10 and will then become the pay in the applicable pay band. In addition to this, the grade pay corresponding to the pre-revised pay scale will be payable. Where the Government servant is in receipt of special pay or non-practising allowance, the methodology followed will be as prescribed in Rule 7 (i), (B), (C) or (D) as applicable, except that the basic pay and dearness pay to be taken into account will be the basic pay and dearness pay applicable as on that date but dearness allowance will be calculated as per rates applicable on 1.1.2006.

12. Fixation of pay on reappointment after the 1st day of January, 2006 to a post held prior to that date - A Government servant who had officiated in a post prior to the 1st day of January, 2006 but was not holding that post on that date and who on subsequent appointment to that post draws pay in the revised pay structure shall be allowed the benefit of the proviso to Fundamental Rule 22, to the extent it would have been admissible had he been holding that post on the 1st day of January, 2006, and had elected the revised pay structure on and from that date.

13. Fixation of pay on promotion on or after 1.1.2006 - In the case of promotion from one grade pay to another in the revised pay structure, the fixation will be done as follows:

(i) One increment equal to 3% of the sum of the pay in the pay band and the existing grade pay will be computed and rounded off to the next multiple of 10. This will be added to the existing pay in the pay band. The grade pay corresponding to the promotion post will thereafter be granted in addition to this pay in the pay band. In cases where promotion involves change in the pay band also, the same methodology will be followed. However, if the pay in the pay band after adding the increment is less than the minimum of the higher pay band to which promotion is taking place, pay in the pay band will be stepped to such minimum.

(ii) In the case of promotion from PB-4 to HAG+, after adding one increment in the manner prescribed in Rule 9, the pay in the pay band and existing grade pay will be added and the resultant figure will become the basic pay in HAG+. This shall not exceed Rs. 80,000, the maximum of the scale. For Government servants in receipt of NPA, pay plus NPA will not exceed Rs. 85,000.

14. Mode of payment of arrears of pay - The arrears shall be paid in cash in two installments. The first installment should be restricted to 40% of the total arrears. The remaining 60% of arrears should be paid during the next financial year.

Explanation - For the purposes of this rule:

(a) “arrears of pay” in relation to a Government servant, means the difference between:

(i) the aggregate of the pay and allowances to which he is entitled on account of the revision of his pay and allowances under these rules, for the relevant period. Revised allowances (except for dearness allowance and non-practising allowance) will be payable only with effect from 1.9.2008; and
(ii) the aggregate of the pay and allowances to which he would have been entitled (whether such pay and allowances had been received or not) for that period had his pay and allowances not been so revised.

(b) "relevant period" means the period commencing on the 1st day of January, 2006 and ending with the 31st August, 2008.

15. **Overriding effect of Rules.** - The provisions of the Fundamental rules, the Central Civil Services (Revision of Pay) Rules 1947, the Central Civil Services (Revised Pay) Rules 1960, the Central Civil Services (Revised Pay) Rules, 1973, Central Civil Services (Revised Pay) Rules, 1986 and CCS (Revised Pay) Rules, 1997 shall not, save as otherwise provided in these rules, apply to cases where pay is regulated under these rules, to the extent they are inconsistent with these rules.

16. **Power to relax** - Where the President is satisfied that the operation of all or any of the provisions of these rules causes undue hardship in any particular case, he may, by order, dispense with or relax the requirements of that rule to such extent and subject to such conditions as he may consider necessary for dealing with the case in a just and equitable manner.

17. **Interpretation** - If any question arises relating to the interpretation of any of the provisions of these rules, it shall be referred to the Central Government for decision.

PART-B

REVISED PAY SCALES FOR CERTAIN COMMON CATEGORIES OF STAFF

Section - I

(i) The revised pay structure mentioned in column (5) and (6) of this part of the Notification for the posts mentioned in column (2) have been approved by the Government. The initial fixation as on 1.1.2006 will be done in accordance with Note 2 below Rule 7 of this Notification.

(ii) On account of merger of pre-revised pay scales of Rs.5000-8000, Rs. 5500-9000 and Rs. 6500-10500, some posts which presently constitute feeder and promotion grades will come to lie in an identitical grade. The specific recommendations about some categories of these posts made by the Pay Commission are included Section II of Part B. As regards other posts, the posts in these three scales should be merged. In case it is not feasible to merge the posts in these pay scales on functional considerations, the posts in the scale of Rs. 5000-8000 and Rs. 5500-9000 should be merged, with the post in the scale of Rs.6500-10500 being upgraded to the next higher grade in pay band PB-2 i.e. to the grade pay of Rs. 4600 corresponding to the pre-revised pay scale of Rs. 7450-11500. In case a post already exists in the scale of Rs. 7450-11500, the post being upgraded from the scale of Rs.6500-10500, should be merged with the post in the scale of Rs. 7450-11500.

(iii) Posts in the scale of Rs. 6500-10500 carrying minimum qualification of either Degree in Engineering or a Degree in Law should also be upgraded and placed in the scale of Rs. 7450-11500 corresponding to the revised pay band PB-2 of Rs. 9300-34800 along with grade pay of Rs.4600.

(iv) Posts of scientific staff in the scale of Rs 6500-10500 carrying minimum qualification of engineering degree or a post-graduate degree should also be upgraded and placed in the scale of Rs. 7450-11500 corresponding to the revised pay band PB-2 of Rs. 9300-34800 along with grade pay of Rs. 4600.

(v) Upgradation as in (ii) above may be done in consultation with Department of Expenditure, Ministry of Finance. Regarding (iii) and (iv) above, upgradation may be done by the Ministries concerned in consultation with their Integrated Finance.

MEMORANDUM EXPLANATORY TO THE CENTRAL CIVIL SERVICES
(REVISED PAY) RULES, 2008

Rule 1 - This rule is self-explanatory.

Rule 2 - This rule lays down the categories of employees to whom the rules apply. Except for the categories
excluded under class (2), the rules are applicable to all persons under the rule making control of the President
serving in Departments paid from Civil Estimates. They do not apply to the employees under the Ministry of
Railways and civilian personal paid from Defence Services Estimates, for whom separate rules will be issued
by the Ministries concerned. The rules do not also apply to Gramin Dak Sevaks in the Department of Posts.

The rules, however, apply to work charged establishments.

Rule 3 and 4 - These rules are self-explanatory.

Rule 5 - The intention is that all Government servants should be brought over to the revised pay structure
except those who elect to draw pay in the existing scales. Those who exercise the option to continue on the
existing scales of pay will continue to draw the dearness allowance at the rates in force on the 1st January,
2006 and the dearness allowance will count towards the emoluments for pension, etc. to the extent it so
counted on the said date. If a Government servant is holding a permanent post in a substantive capacity and
officiating in a higher post, or would have officiated in one or more posts but for his being on deputation etc., he
has the option to retain the existing scale only in respect of one scale. Such a Government servant may retain
the existing scale applicable to a permanent post or any one of the officiating posts. In respect of the remaining
posts he will necessarily have to be brought over to the revised pay structure.

Rule 6 - This rule prescribes the manner in which option has to be exercised and also the authority who
should be apprised of such option. The option has to be exercised in the appropriate form appended to the
rules. It should be noted that it is not sufficient for a Government servant to exercise the option within the
specified time limit but also to ensure that it reaches the prescribed authority within the time limit. In the case
of persons who are outside India at the time these rules are promulgated, the period within which the option has
to be exercised is three months from the date they take over charge of the post in India. In the case of
Government servants the revised pay structure of whose posts are announced subsequent to the date of issue
of these rules, the period of three months will run from the date of such announcement.

Persons who have retired between 1st January, 2006 and the date of issue of these rules are also eligible
to exercise option.

Rule 7 (1) - This rule deals with the actual fixation of pay in the existing scales on 1st January, 2006. A few
illustrations indicating the manner in which pay of Government servants should be fixed under this sub-rule
subject to stepping up of pay under Notes below rule 7(1) are given in the attached Annexure.
Rule 7 (2) - The benefit of this rule is not admissible in cases where a Government servant has elected the revised pay structure in respect of his substantive post, but has retained the existing scale in respect of an officiating post.

Rule 8 - This Rule prescribes the method of fixation of pay of employees appointed as fresh recruits on or after 1st January, 2006.

Rule 9 and 10 - These rules prescribe the manner in which the next increment in the new scale should be regulated. The provisions to this rule are intended to eliminate the anomalies of junior Government servants drawing more pay than their senior by the operation of substantive part of this rule and also taking care of the Government servants who have been drawing pay at the maximum of the existing scale for more than one year as on 1st January, 2006 and also those Government servants who have been stagnating at the maximum of the existing scale and are actually in receipt of stagnation increment on ad hoc basis.

Rule 11 to 17 - These rules are self-explanatory.

**OFFICE MEMORANDUM**

The 30th August, 2008

Subject: Implementation of Sixth Central Pay Commission recommendations - fixation of pay and payment of arrears - instructions regarding.

The undersigned is directed to refer to the Central Civil Services (Revised Pay) Rules, 2008, notified vide G.S.R. No. 622 (E) dated 29th August, 2008 and to state that in terms of Rule 6 of these Rules, government servants are required to exercise their option for drawal of their pay in the revised pay structure in the format prescribed in the Second Schedule to the Rules.

2. The sequence of action to be taken on receipt of the option will be as follows:-

   (i) The manner of initial fixation of pay in the revised pay structure has been indicated in Rule 7 of the CCS (RP) Rules, 2008. On the basis of this Rule, detailed Fixation Tables for each stage in each of the pre-revised scales have been worked out in the manner recommended by the Sixth Pay Commission and are enclosed as Annex-I of this O.M. These may be used for the purpose of fixation in the revised pay structure as on 1st January, 2006.

   (ii) The tables in Annex-I will be applicable in cases where normal replacement pay scales have been approved by the Government. In cases of upgradation of posts and merger of pre-revised pay scales, fixation of pay will be done as prescribed in Note 2A and 2B below Rule 7(1) and in the manner indicated in Illustration 4A and 4B respectively of the Explanatory Memorandum to the CCS (RP) Rules, 2008.

   (iii) In terms of the CCS (RP) Rules, 2008, there shall be a uniform date of increment i.e., 1st July, of the year after implementation of the revised pay structure. Consequently, in the case of employees whose date of next increment falls on 1st January 2006, the increment will be drawn in the pre-revised scale and pay fixed in accordance with the tables after including this increment. The next increment in the revised pay structure in such cases will be drawn on 1st July, 2006.

   (iv) On fixation of pay in the applicable revised pay bands and grade pay or in the pay scale, as the case may be, pay and allowances for the month of September, 2008 may be drawn and paid on the basis of the revised pay structure and the applicable allowances thereon after deduction of enhanced subscription to the General Provident Fund which will be calculated with reference to the revised basic pay. Insofar as the employees who have joined on or after 1st January, 2004 are concerned the enhanced deductions under the New Pension Scheme will be calculated with reference to the revised basic pay and DA thereon.

   “Basic pay” in the revised pay structure means the pay drawn in the prescribed pay band plus the applicable grade pay but does not include any other type of pay like special pay, etc. In the case of Government servants in the pay scales of HAG+ and above, basic pay means the pay in the prescribed scale.

   (v) Bills may be drawn separately in respect of the arrears of pay and allowances for the period from January 1, 2006 to August 31, 2008. The aggregate arrears, computed after deduction of subscription at enhanced rates of GPF and NPS with reference to the revised pay, may be paid in two instalments, the first instalment being restricted to 40% of the aggregate arrears. DDOs/ PAOs will ensure that action is taken simultaneously in regard to Government’s contribution towards enhanced subscription. Orders in regard to the payment of the second instalment of arrears will be issued separately.
Similar sequential action as indicated above may be taken for the authorization of the revised pay and allowances of those employees whose options might be received later.

3. The revised rates of all allowances, such as House Rent Allowance, Transport Allowance, Children Education Allowance, Special Compensatory Allowance, Special Duty Allowance, Hard Duty Allowance, etc., will be paid prospectively with effect from 1st January, 2008 Accordingly, no arrears will be paid in respect of these allowances. However, Dearness Allowance and Non-Practising Allowance for medical doctors at rates notified separately, will be payable with effect from 1st January, 2006 or the date of option.

4. With a view to expediting the authorization and disbursement of arrears, it has been decided that the arrear claims may be paid without pre-check of the fixation of pay in the revised scales of pay. The facility to disburse arrears without pre-check of fixation of pay will not, however, be available in respect of those Government servants who have relinquished service on account of dismissal, resignation, discharge, retirement etc. after the date of implementation of the Pay Commission’s recommendations but before the preparation and drawing of the arrear claims, as well as in respect of those employees who had expired prior to exercising their option for the drawing of pay in the revised scales.

5. In order to ensure correct and systematic fixation of pay in the revised pay structure, a proforma for the purpose (Statement of Fixation of Pay) is enclosed (Annex-II). The statement should be prepared in triplicate and one copy thereof should be passed in the Service Book of the Government servant concerned and another copy made available to the concerned accounting authorities [Chief Controller of Accounts/Controller of Accounts/ Accounts Officer] for post-check. Attention is also invited in this connection to the Government decision contained at S.I. No. 2 (iii) of the Part ‘A’ of the Resolution No. 1/1/2008-IC dated August 29, 2008 regarding the adjustment of the instalments of Dearness Allowance paid between July, 1, 2006 and June 30, 2008.

6. The requirement of pre-check of pay fixation having been dispensed with, it is not unlikely that the arrears due in some cases may be computed incorrectly leading to overpayments that might have to be recovered subsequently. The Drawing and Disbursing Officers should, therefore, make it clear to the employees under their administrative control, while disbursing the arrears, that the payments are being made subject to adjustment from amounts that may be due to them subsequently should any discrepancies be noticed later. For this purpose, an undertaking may also be obtained in writing from every employee at the time of disbursement of the arrears/Pay and allowances for September, 2008 to the effect that any excess payment that may be found to have been made as a result of incorrect fixation of pay in the revised scales will be refunded by him to Government either by adjustment against future payments or otherwise. A specimen form of the undertaking is also enclosed (Annex-III).

7. In authorizing the arrears, Income Tax as due may also be deducted and credited to Government in accordance with the instructions on the subject. In case a Government servant wishes to deposit his arrears in his General Provident Fund account, this may be permitted.

8. On receipt of the necessary options, action for drawal and disbursement of arrears should be completed immediately.

9. Hindi version will follow.

OFFICE MEMORANDUM
New Delhi the 13th September, 2008

Subject : Clarifications on CCS (Revised Pay Rules, 2008)

The undersigned is directed to refer to the Central Civil Services (Revised Pay) Rules, 2008, notified vide G.S.R. No. 622 (E) dated 29th August, 2008 and to state that clarifications are being sought regarding the date of next increment, the method of fixation of pay on promotion after 1st January, 2006, use of fitment tables for cases of pay fixation under Rule 11 of CCS (RP) Rules, 2008, fixation of pay of government servants who were on deputation on 1st January, 2006 and got promoted in the cadre subsequently while still on deputation, etc.

2. In this connection, the following clarifications are issued :-

Clarification 1 : The date of next increment

(i) As per Rule 10 of CCS (RP) Rules, 2008 there will be one uniform date of annual increment, viz. 1st July of every year. Government servants completing 6th months and above in the revised pay structure as on 1st of July will be eligible to be granted the increment. Accordingly, all Government servants who earned their last increment between 2nd January, 2005 and 1st January, 2006 would get their next increment of 1st July, 2006.

(ii) For those employees whose date of next increment falls on 1st January, 2006, the instructions already provide for granting an increment in the pre-revised pay scale as on 1st January, 2006 and then fixing their pay in the revised pay scales. Such Government servants would also get their next increment on 1st July, 2006.

Clarification 2 : The method of fixation of pay on promotion after 1st January, 2006

On promotion from one grade to another/financial upgradation under ACP, a Government servant has an option under FR 22(1)(a)(1) to get his pay fixed in the higher post either from the date of his promotion, or from date of his next increment, viz. 1st July of the year. The pay will be fixed in the following manner in the revised pay structure :-
In case the Government servant opts to get his pay fixed from his date of next increment, then, the date of promotion, pay in the pay band shall continue unchanged, but the grade pay of the higher post will be granted. Further re-fixation will be done on the date of his next increment i.e. 1st July. On that day, he will be granted two increments: one annual increment and the second on account of promotion. While computing these two increments, basic pay prior to the date of promotion shall be taken into account. To illustrate, if the basic pay prior to the date of promotion was Rs. 100, first increment would be computed on Rs. 100 and the second on Rs. 103.

In case the Government servant opts to get his pay fixed in the higher grade from the date of his promotion, he shall get his first increment in the higher grade on the next 1st July if he was promoted between 2nd July and 1st January. However, if he was promoted between 2nd January and 30th June of a particular year, he shall get his increment on 1st July of next year.

Clarification 3 : Use of fitment tables for cases of pay fixation under Rule 11 of CCS (RP) Rules, 2008

Rule 11 of CCS (Revised Pay) Rules, 2008 provides for fixation of pay in the revised pay structure subsequent to the 1st day of January, 2006. When the pay of a Government servant will be fixed as per Rule 11 on a date subsequent to 1st January 2006, the fitment tables annexed with this Department’s O.M. of even number dated 30th August, 2008 will be used as prescribed in the relevant provisions contained in para 2 of the O.M. The pre-revised pay to be reckoned in such cases will be the pay of the Government servant on the day of such fixation.

Clarification 4 : Fixation of pay of government servants who were on deputation and got promoted in the cadre subsequently while still on deputation.

(i) In case the Government servant was on deputation on 1st January, 2006, and got promoted to a higher post in his cadre after 1st January, 2006, but was not granted proforma promotion under the ‘Next Below Rule’, his pay will get fixed with effect from 1st January, 2006 in the grade which he was holding on 1st January, 2006.

(ii) In case the Government servant had been granted proforma promotion under the ‘Next Below Rule’, his pay will be fixed using the provisions of the ‘Next Below Rule’, as explained in (iii) below.

(iii) In the revised pay structure, the pay of a government servant would be regulated in the following manner on grant of proforma promotion to him under ‘Next Below Rule’:

(a) In case a Government servant on deputation to a post gets promoted in his cadre to a post in a higher grade, his pay in the pay band will be fixed with reference to the pay in the pay band of the employee immediately junior to him in the cadre of his service. However, the government servant in question would continue to draw the grade pay attached to the deputation post for the remaining duration of the deputation.

(b) In case a Government servant on deputation to a post in PB-4 gets promoted in his cadre to a post in HAG+, his basic pay will be fixed with reference to the basic pay of the employee immediately junior to him in the cadre of his service, but the total of pay in the pay band and grade pay of the deputation post will not exceed Rs.79,000.

(c) In case a Government servant on deputation to a post in PB-4 gets promoted in his cadre to a post in the apex scale, his basic pay will be fixed with reference to the basic pay of the employee immediately junior to him in the cadre of his service, but the total of pay in the pay band and grade pay of the deputation post will not exceed Rs.79,000.

(d) In case a Government servant on deputation to a post in HAG+ gets promoted in his cadre to a post in the apex scale, his basic pay will be fixed with reference to the basic pay of the employee immediately junior to him in the cadre of his service.

Clarification 5 : Fixation of pay of government servants who go on deputation to a lower post.

(i) In case a Government servant goes on deputation to a post carrying a lower grade pay, his pay in the pay band would continue unchanged, but he will be granted the grade pay of the lower post for the entire duration of the deputation.

(ii) In case a Government servant in HAG+ scale goes on deputation to a lower post in PB-4, his basic pay in the deputation post will be fixed at a stage equal to his basic pay in the cadre of his service, but the total of pay in the pay band and grade pay of the deputation post will not exceed Rs.79,000.
(iii) In case a Government servant in the apex scale goes on deputation to a lower post in PB-4, his pay in the pay band will be fixed at the maximum of PB-4 (Rs.67000) and he will be granted the grade pay attached to the deputation post, but the total of pay in the pay band and grade pay of the deputation post will not exceed Rs.79,000. In case deputation is from the apex scale to a post in HAG+, the basic pay will be protected in HAG+.

Clarification 6 : Procedure for placing employees in upgraded scales in case of merger of scales/upgradations recommended by the Sixth CPC.

(i) Where all posts in one or more pre-revised scales are merged with a higher pre-revised scale and given a common replacement scale/grade pay, the suitability of the incumbents need not to be assessed for granting them the higher replacement scale/grade pay and the incumbents will automatically be granted the replacement pay scale/grade pay recommended by the Commission. Their pay will be fixed in the accordance with the fitment table annexed to this Department’s O.M. of even number dated 30.08.2008.

(ii) Similarly, in the case of upgradations recommended by the Pay Commission, i.e. where all posts in a particular grade have been granted a higher replacement pay scale/grade pay, the suitability of the incumbents need not be assessed for granting them the higher replacement scale/grade pay. The incumbents will automatically be granted the replacement pay scale/grade pay recommended by the Commission. Their pay in the pay band will be fixed with reference to their fitment table corresponding to pre-revised pay scale. However, the grade pay corresponding to the upgraded post will be granted.

Note: CCS (Revised Pay) Rules, 2008 define the term “basic pay” in the revised pay structure as the pay drawn in the prescribed pay band plus the applicable grade pay but does not include any other type of pay like special pay, etc. In the case of Government servants in the pay scales of HAG+ and above, basic pay means the pay in the prescribed scale.
